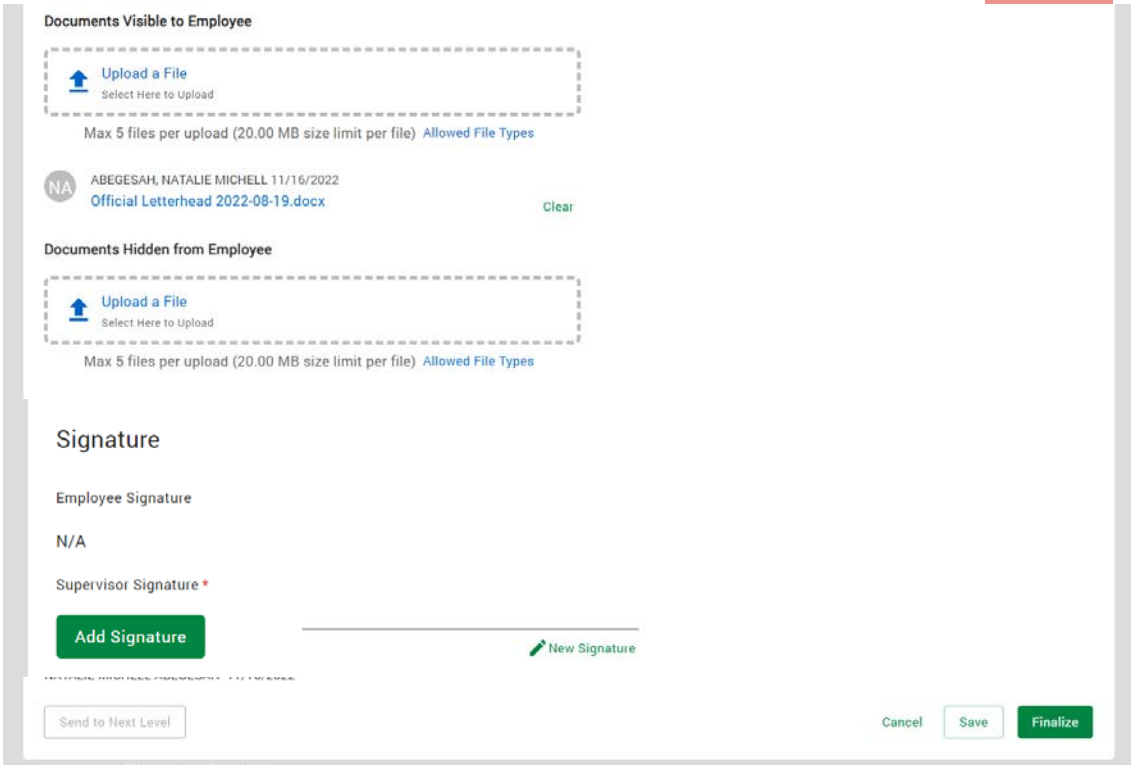
--Click on Finalize
--Once Finalized



2023 Performance Levels – NEW CHANGE

New for 2023

The use of .5 points –
for example 3.5

2023 Performance Levels / Rating Scale with Definitions

PERFORMANCE LEVELS	DEFINITION	EXAMPLES
Level 5: Achieved Outstanding Results (5 points)	Consistently superior; significantly exceeds Level 4 performance standards. Despite major challenges such as changing priorities, insufficient resources, unanticipated resource shortages, or externally driven parameters, employee leadership is a model of excellence. Contributions impact well beyond the employee's level of responsibility. Demonstrates exceptional initiative in achieving results critical to program success and support of strategic or unit goals. Products and skills create significant changes in area of responsibility and authority. Indicators of performance at this level include outcomes that consistently exceed the meets expected level standards for goals described in the annual performance plan.	• Innovations, improvements, and contributions to management, administrative, technical, or other functional areas that have influence outside the work unit. • Increases office and/or individual productivity. • Improves customer, stakeholder, and/or employee satisfaction, resulting in positive evaluations, accolades, and recognition; methodology is modeled outside the unit. • Easily adapts when responding to changing priorities, unanticipated resource shortages, or other obstacles. • Initiates significant collaborations, alliances, and coalitions. • Leads workgroups or teams, such as those that design or influence improvements in program policies, processes, or other key activities. • Anticipates the need for, and identifies, professional developmental activities that prepare staff and/or oneself to meet future workforce challenges; and/or • Consistently demonstrates the highest level of ethics, integrity and accountability in achieving specific program goals; makes recommendations that clarify and influence improvements in ethics activities.

2023 Performance Levels / Rating Scale with Definitions

PERFORMANCE LEVELS	DEFINITION	EXAMPLES
Level 4: Achieved Above Expected Results (4 points)	Consistently exceeds expectations of Level 3 performance requirements. The employee continually demonstrates successful collaborations within the work environment, overcoming significant organizational challenges such as coordination with external stakeholders or resource shortfalls. Employee works productively and strategically with others in non-routine matters, some of which may be complex and sensitive. The employee consistently demonstrates the highest level of integrity and accountability in achieving unit, program and management goals. Employee contributions have impact beyond their immediate level of responsibility.	• Effectively plans, is well-organized, and completes work assignments that reflect requirements. • Decisions and actions demonstrate organizational awareness. This includes knowledge of mission, function, policies, technological systems, and culture. • Independently follows up on actions and improvements that impact the immediate work unit, establishes and maintains strong relationships with employees and/or clients, understands their priorities, balances their interests with organizational demands and requirements, effectively communicates necessary actions to them and employee/customer satisfaction is conveyed. • When serving on teams and workgroups, contributes substantively and completely according to standards identified in the plan.
Level 3: Achieved Expected Results (3 points)	Consistently meets performance standards. Work is solid and dependable; customers are satisfied with program results. The employee successfully resolves operational challenges without higher- level intervention. The employee consistently demonstrates integrity and accountability in achieving Global Communities' program and management goals. Employee conducts follow-up actions based on performance information available to him/her. Employee seizes opportunities to improve business results and include employee and customer perspectives.	• Acquires new skills and knowledge to meet assignment standards. • Demonstrates ethics, integrity and accountability to achieve Global Communities goals, and • Resolves operational challenges and problems without assistance from higher-level staff.

2023 Performance Levels / Rating Scale with Definitions

PERFORMANCE LEVELS	DEFINITION	EXAMPLES
Level 2: Below Expected Results (2 points)	Marginally acceptable, needs improvement, inconsistently meets Level 3 performance requirements. The employee has difficulties in meeting expectations. Actions taken by the employee are sometimes inappropriate or marginally effective. Organizational goals and objectives are met only as a result of close supervision. This is the minimum level of acceptable performance for retention on the job. Improvement is necessary.	• Occasionally fails to meet assigned deadlines. • Work assignments occasionally require major revisions or often require minor revisions. • Does not consistently apply technical knowledge to work assignments. • Occasionally fails to adhere to required procedures, instructions, and/or formats on work assignments. • Occasionally fails to adapt to changes in priorities, procedures, or program direction. • Impacts on program performance, productivity, morale, organizational effectiveness and/or customer satisfaction need improvement.
Level 1: Achieved Unsatisfactory Results (1 points)	Undeniably unacceptable performance; consistently does not meet performance standards. Repeat observations of performance indicate negative consequences in key outcomes (e.g., quality, timeliness, results, customer satisfaction, etc.) as described in the annual performance plan. The employee fails to meet expectations. Immediate improvement is essential for job retention.	• Consistently fails to meet assigned deadlines; • Work assignments often require major revisions; • Fails to apply adequate technical knowledge to completion of work assignments; • Frequently fails to adhere to required procedures, instructions and/or formats in completing work assignments; and/or • Frequently fails to adapt to changes in priorities, procedures or program direction.

From Penelope on how to complete a self-assessment

- **Dec 1st to Dec 15th**
- Add comments under End of Year Column
- Submit to Supervisor **by Dec 16th**

Employees

For employees*, that do not have access to Paycom, please use the excel template

1. Add comments under End of Year Column

2022 Performance Tracker - EDH

POA Goal	Objective	Unit Goal	Individual SMART Goal	Date	Notes/Critical Assumptions	6th Month Review Notes	Year-End Review Notes - Employee	End of Year Notes - Supervisor	End of Year Rating
Goal 1 Implement High-Quality Programs	Objective 1.1. Ensure Financial & Administrative Compliance (F&A, HR, Program Units, Membership)	Submit 17 high-quality donor reports prior to the deadlines established in the awards							
		Review and correct 13 GLs & GRs each month to ensure field office expenses are allowable under the award budget and provisions, and expense descriptions match activity codes							
		Review and correct 7 subaward financial reports per month to ensure sub expenses are allowable under the subaward budget and provisions, have supporting documentation, and adhere to the subrecipient's policies							
		Monitor the performance of 20 financial report creators each month and provide constructive feedback, training, and corrective action plans as necessary							
		Conduct 20 mini-audits of field offices and/or subrecipient offices							
	Objective 1.2 Ensure High-Quality Technical Delivery (Program Units, Membership)	Conduct 19 field visits to observe program activities and impact, and conduct interviews and focus groups with beneficiaries regarding program quality							
		By April 20 and October 30, 2022, review indicator data for 5 programs to ensure field staff and subrecipients are on track to achieve PY and LOP targets, creating corrective action plans as necessary							
	Objective 2.1 Conduct Comprehensive Pre-Solicitation Activities	By the end of 2022, conduct capture work, including desk research, competitor monitoring, and partnership development for 2-3 multi-year multimillion dollar bids							
		Ongoing throughout 2022, cultivate USAID							

*Example:
Chief of Parties or Program/Project Directors

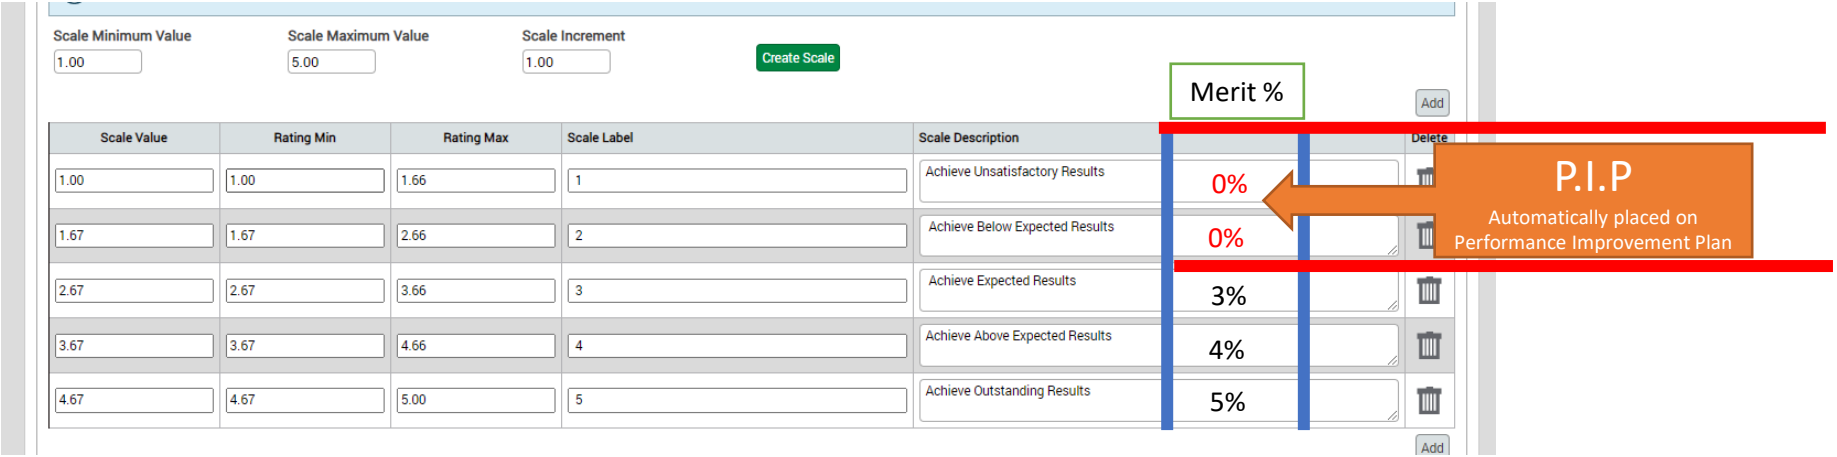
2023 Increase Approach

ASM – Dec 2023

PARTNERS *of the* AMERICAS
Connect • Serve • Change Lives

2023 Annual Increase – Combination of External and Internal



Important Notes:

1. **No annual increase** for anyone who achieved below or unsatisfactory results. These employees will automatically be placed on a Performance Improvement Plan (PIP), and the expectation is to see improvement within the 1st quarter of 2024
2. **New Hires and Promotions:** After October 1, 2023, these employees will not be part of the annual increase. Staff movements within 2023 will be prorated based on the effective date.
