Strategic Goal

Business Development	Programming, Services & Partnerships	Technology & Communications	Operational & Financial Excellence

Vision: We envision a world where communities and individuals are empowered and sustained through volunteerism and partnerships

Mission: We connect people and organizations across and within borders to serve and change lives

Values: Service; Partnership; Impact; Resilience; Respect; Empowerment; Sustainability

1. Business Development

Goal Area Success: Grow on average by 10% year over year based on the previous year's financials through a diversified portfolio of funders, programs, and areas. Growth will be achieved through thought leadership, proactive technical expertise in the field and expanding donor base.

Key Strategies:

- Cultivate deeper relationships with our current partners/funders
- Expand partnerships with other non-USG government donors and new private sector donors
- Strengthen technical excellence in field and expand program areas in LAC

2. Programming, Services & Partnerships

Goal Area Success: To empower the communities we serve by focusing on where our passion, resources, knowledge and capacities intersect; adapting as the global context changes. with data-driven, evidence-based decision-making.

Key Strategies:

- Build and Sustain programs in Education & Global Citizenship, Economic Development & Health, Child Protection & other community services
- Develop and leverage Leaders
- Promote Partners brand as a thought leader in volunteerism and partnerships
- Expand and strengthen cross-cutting focus on youth and technology

3. Technology & Communications

Goal Area Success: Leverage Technology & Communications to facilitate efficient interactions among staff internally and connect with, engage and grow Chapter members & other stakeholders externally. Collaborate within Partners to co-produce innovative, engaging communications campaigns.

Key Strategies:

- Develop robust IT infrastructure to facilitate efficient collaboration and communication
- Design and maintain on-line communities of practice, with geographic and programmatic foci
- Engage and collaborate with all stakeholders

4. Operational & Financial Excellence

Goal Area Success: : To manage financial and HR resources responsibly, effectively, efficiently and transparently. Ensure more efficient operations through standardized Program, HR, and Resource Management and training for staff and board.

Key Strategies

- Cultivate and strengthen the board: Provide board development training; offer fundraising tools and webinars to the board, staff and chapters
- Financial and Program Management: Operate with a budget surplus by 2023 and a NICRA rate between 25% - 28%. Create operations manual and provide project management training
- HR and Resource Management: Standardize job descriptions and required skills in HR and chapters, and rating standards

Top Priorities FY 2019 – 2023

1. Business Development:
Grow our portfolio on average by 10% year over year

2. Programming, Services & Partnerships
Increase focus on youth and technology and develop thought leadership capacity

3. Technology & Communications:
Develop on-line communities of practice, supported by robust data and social media

4. Operational & Financial Excellence:
Operate with a budget surplus by 2023 and a NICRA rate between 25-28%
