Our website has a wealth of information to help you make the most out of your benefits. You can also use our website to send us emails.

Preferred Care Network in the U.S.: **Cigna Healthcare OA Plus**

Precertification for inpatient and outpatient services received in the U.S. is required. Network providers must call the toll-free number below to precertify services. You are responsible for ensuring that out-of-network providers precertify services. Failure to obtain precertification may affect your out-of-pocket costs. In an emergency, seek care immediately, then call your primary care provider for further assistance and directions on follow-up care within 48 hours.

All benefits are subject to verification of eligibility, definitions, exclusions and contract limitations. Card possession does not certify eligibility for benefits. We encourage you to use a PCP as a valuable health resource and personal health advocate.
