Labor Unit 2023 Action Plan

Goals		Program	2023 Actions/Deliverables	January	February	March	April	May	June	July	August	September	October	November	December
Goal 1 - Implement High Quality Programs	Objective 1.1. Ensure Financial & Administrative Compliance	All	Come within 5-10% of projected unit budget for 2023.												
		DOS451, DOS452 and DOL420	Conduct closeout procedures , compliant with donor requirements												
		DOS452/DOL 420	Request and negotiate a no-cost/cost extension												
		All	Review Monthly GL & GR for coding and track burn rates to ensure we are meeting targets												
		All	Review and correct award and subaward financial reports per month to ensure expenses are allowable under the awards and subaward budget and provisions, have supporting documentation, and adhere to the donor requirements.												
		All	Submit field office/subaward financial reports to F&A HO												
		All (except FUNPADEM)	Develop, review, submit and monitor accurate budget projections through submission of monthly RFFs, and CFR to F&A.												
		DOL 420, DOL 423 and DOL 425	Draft and submit modification of sub-awards to increase obligated amounts												
		All	By the end of 2023 conduct four mini-audits of field offices and/or subreceipient offices												
		All	Review SOWs sent by FO and draft HO contracts as needed												
		All	Monitor compliance of sub-awards, contracts, other agreements and process payments												
		All	Participate in periodic meetings with F&A												
		All	Prepare and submit credit card expense reports, acurrately and in a timely manner												
		All	Review and process per diem reimbursment requests, accurately and in a timely manner												
	Objective 1.2 Ensure High-Quality Technical Delivery	All	By the due dates develop or revise annual work plans, CMEP/PMPs, and any other deliverables as stated in the award/agreements.												
		All	Monitor implementation including sub-awards with local partners to ensure that deliverables are met according to the deadlines established, communicating any issues, delays, or changes to progress to Partners Admin Units and donors, as necessary.												
		All	By the end of 2023, conduct ten field visits to observe program activities, conduct interviews and focus groups with beneficiaries, meet with field staff and provide technical assistance to ensure quality and timely implementation.												
		All	Through a continued implementation of monitoring, evaluation and adapting tools ensure field staff and sub-awardees are on track to achieve 2023 target and LOP targets, creating corrective action plans as necessary.												
		All	Submit high-quality performance reports (TPRs/QRs) to donors according to the deadlines established in the awards												
		All	Strengthen relationships with donors, grantees, and beneficiaries through clear and open communications, timely responses to tasks & information requests.												
		All	Review and provide feedback to technical documents and deliverables sent by project teams to ensure quality and meeting donor expectations												

Goal 2 - Submit Competitive Proposals	Objective 2.1 Conduct Comprehensive Pre-Solicitation Activites	All	By the end of 2023, conduct capture work, including desk research, competitor monitoring, and partnership development for 2 multi-year multimillion dollar bids
		All	Ongoing throughout 2023, cultivate relationships with DOS, USAID, and other relevant implementing partners for long-term positioning on future bids/solicitations.
		All	Cultivate non-USG/private sector prospective donors in order to meet 100 K cost-share requirements.
	Objective 2.2 Develop High-Quality Proposals	All	By the end of 2023, develop 2-3 high-quality proposals, including significant contributions to program design, technical narrative, M&E, and cost proposal.
		All	By May 2023 develop a concept to pitch other donors or private sector funds in two priority countries for POA.
Goal 3 - Exemplify Professional & Organizational Capacity	Objective 3.1 Embody POA values through leadership and personnel management	All	Each Labor Unit staff with supervisory role attends a training related to leadership and/or staff supervision.
		All	Regularly recognize unit/staff achievements and provide open space for sharing challenges & constructive feedback by incorporating time in the team meeting agendas to address these topics.
		All	Implement 2-3 effective communication tools (from Humentum and/or similar resources) to cultivate mutual understanding, empathy, clarity, and respect among team members of the unit.
	Objective 3.2 Increase Individual and Organizational Capacity	All	By the end of 2023, Labor Unit staff has a professional development plan and leverage Partners LMS and/or PD funds to implement the plan.
		All	Define clear roles & responsibilities, enhance unit identity/mission, and increase cross-unit collaboration / knowledge sharing through coordination with HR to develop a unit-wide map that demonstrates staff skills areas, professional development interests, and roles & responsibilities.
		All	Organize one brown bag per semester to share information on the Labor Unit projects.
		All	By the end of 2023, attend four external events to present Partners' Labor Unit projects
	Objective 3.3 Develop and leverage tools, technologies, processes, and systems	All	By June, 2023, in coordination with operations and F&A, implement a new streamlined field office and subrecipient financial reporting process, that reduces duplication of efforts, increases accountability, improves communications, and maintains strong checks and balances.
		All	By September 2023, ensure Labor Unit's projects report using POA's ME system.
		All	Populate Partners´ Salesforce database with new and existing donor and potential partner POCs
	Objective 3.4 Communicate POA's Innovativeness & Impact	All	By the end of 2023, develop and deliver ten strategic written communications, including blogs, case studies, and success stories, to current and potential donors to highlight Partners' innovations and impacts.
		All	By the end of 2023, develop and deliver five public presentations and/or serve on panels to increase Partners' visibility and prominence as a thought leader in the field of international labor rights (child labor, forced labor, acceptable conditions of work, etc) programming.
		All	During the first quarter of 2023 collaborate in the development of the updated version of Partners' website by providing content and reviewing the design.
		All	Throughout 2023, participate in relevant 2-3 networks & associations, and attend relevant sector meetings and/or events to increase POA's visibility in the labor sector.
