5

Scale: 4.67 Rounding Rules: 4.67 - 5.00

Achieve Outstanding Results

2022 Performance Levels / Rating Scale with Definitions & Illustrative Examples*

***PLEASE NOTE**: Meeting one of the illustrative examples does **NOT** automatically qualify you to receive the performance rating or "level". Your entire performance is taken into context for evaluation.

2022 Performance Level: Achieved Above Expected Results *

PERFORMANCE LEVELS	DEFINITION	ILLUSTRATIVE EXAMPLES
Level 5: Achieved Outstanding Results (5 points)	Consistently superior; significantly exceeds Level 4 performance standards. Despite major challenges such as changing priorities, insufficient resources, unanticipated resource shortages, or externally driven parameters, employee leadership is a model of excellence. Contributions impact well beyond the employee's level of responsibility. Demonstrates exceptional initiative in achieving results critical to program success and support of strategic or departmental goals. Products and skills create significant changes in area of responsibility and authority. Indicators of performance at this level include outcomes that consistently exceed the meets expected level standards for goals described in the annual performance plan.	• Innovations, improvements, and contributions to management, administrative, technical, or other functional areas that have influence outside the work unit. • Increases office and/or individual productivity. • Improves customer, stakeholder, and/or employee satisfaction, resulting in positive evaluations, accolades, and recognition; methodology is modeled outside the department. • Easily adapts when responding to changing priorities, unanticipated resource shortages, or other obstacles. • Initiates significant collaborations, alliances, and coalitions. • Leads workgroups or teams, such as those that design or influence improvements in program policies, processes, or other key activities; • Anticipates the need for, and identifies, professional developmental activities that prepare staff and/or oneself to meet future workforce challenges; and/or • Consistently demonstrates the highest level of ethics, integrity, and accountability in achieving specific program goals; makes recommendations that clarify and influence improvements in ethics activities.

2022 Performance Level: Achieved Above Expected Results *

PERFORMANCE LEVELS	DEFINITION	ILLUSTRATIVE EXAMPLES
Level 4: Achieved Above Expected Results (4 points)	Consistently exceeds expectations of Level 3 performance requirements. The employee continually demonstrates successful collaborations within the work environment, overcoming significant organizational challenges such as coordination with external stakeholders or resource shortfalls. Employee works productively and strategically with others in non-routine matters, some of which may be complex and sensitive. The employee consistently demonstrates the highest level of integrity and accountability in achieving Departmental program and management goals. Employee contributions have impact beyond their immediate level of responsibility.	• Establishes and maintains strong relationships with employees and/or clients, understands their priorities, balances their interests with organizational demands and requirements, effectively communicates necessary actions to them and employee/customer satisfaction is conveyed. • Contributes substantively and completely when serving on teams and workgroups. • Works hours necessary to get the job done right and on time. • Constantly exhibits resourcefulness • Consistently presents viable solutions to problems and the plan to execute the solutions • Routinely demonstrates a willingness to complete work that may be out of scope of their regular responsibilities • Consistently volunteers to take on new tasks and/or initiatives and sees through to completion without the need for direction and with little to no coaching • Consistently looks for process improvements and development opportunities for self, the team, and the department • Is always willing to lead change, and help others through change • Consistently seeks out constructive feedback and opportunity for improvement and development • Consistently demonstrates leadership among peers and colleagues • Consistently maintains a positive and professional manner when under pressure or in stressful situations

2022 Performance Level: Achieved Expected Results *

PERFORMANCE LEVELS	DEFINITION	ILLUSTATIVE EXAMPLES
Level 3: Achieved Expected Results (3 points)	Consistently meets performance standards. Work is solid and dependable; customers are satisfied with program results. The employee successfully resolves operational challenges without higher- level intervention. The employee consistently demonstrates integrity and accountability in achieving Partners' program and management goals. Employee conducts follow-up actions based on performance information available to him/her. Employee seizes opportunities to improve business results and include employee and customer perspectives.	• Effectively plans, is well-organized, and completes work assignments that reflect requirements. • Independently follows up on actions and improvements that impact the immediate work unit, • Acquires new skills and knowledge to meet assignment standards. • Demonstrates ethics, integrity and accountability to achieve Partners of the Americas goals, and • Resolves operational challenges and problems without assistance from higher-level staff. • Decisions and actions demonstrate organizational awareness. This includes knowledge of mission, function, policies, technological systems, and culture. • Effectively handles multiple priorities

2022 Performance Level: Below Expected Results *

PERFORMANCE LEVELS	DEFINITION	ILLUSTRATIVE EXAMPLES
Level 2: Below Expected Results (2 points)	Marginally acceptable, needs improvement, inconsistently meets Level 3 performance requirements. The employee has difficulties in meeting expectations. Actions taken by the employee are sometimes inappropriate or marginally effective. Organizational goals and objectives are met only as a result of close supervision. This is the minimum level of acceptable performance for retention on the job. Improvement is necessary.	• Occasionally fails to meet assigned deadlines. • Work assignments occasionally require major revisions or often require minor revisions. • Does not consistently apply technical knowledge to work assignments. • Occasionally fails to adhere to required procedures, instructions, and/or formats on work assignments. • Occasionally fails to adapt to changes in priorities, procedures, or program direction. • Impacts on program performance, productivity, morale, organizational effectiveness and/or customer satisfaction need improvement.

2022 Performance Level: Achieved Unsatisfactory Results *

PERFORMANCE LEVELS	DEFINITION	• ILLUSTRATIVE EXAMPLES
Level 1: Achieved Unsatisfactory Results (1 points)	Undeniably unacceptable performance; consistently does not meet performance standards. Repeat observations of performance indicate negative consequences in key outcomes (e.g., quality, timeliness, results, customer satisfaction, etc.) as described in the annual performance plan. The employee fails to meet expectations. Immediate improvement is essential for job retention.	• Consistently fails to meet assigned deadlines; • Work assignments often require major revisions; • Fails to apply adequate technical knowledge to completion of work assignments. • Frequently fails to adhere to required procedures, instructions and/or formats in completing work assignments; and/or • Frequently fails to adapt to changes in priorities, procedures or program direction.
