Dear Staff,

As part of the Operation's department effort to streamline and standardized processes, we are rolling out our new SharePoint File Structure Guide for Programs: [File Structure](#). The file structure will apply to all **new program effective October 1, 2023**. New projects will need to standardize the file structure in accordance with this policy and follow the titles for each folder. Old program prior to this date will **not** have to re-organize their files. This structure does not apply to administrative departments. The goal of this new structure is to make our files easy to find in case of audit and to allow compliance, managers, directors, etc. a quick and simplified way to navigate their program files that is consistent among programs.

The file structure guide layouts the main folders and sub folders by levels. Example new project for USAID is below (only reflects levels 1 and 2):

1. USAID650
 - a. Donor
 - i. Award & Mod
 - ii. Approvals (Email approvals)
 - iii. Other (FYI)
 - iv. Requests (Pending & Submitted)
 - v. Meeting Notes
 - vi. Donor Reports
 - b. Technical
 - i. Activities
 - ii. Comms
 - iii. M&E
 - iv. Reports
 - v. Workshops, Conferences, Events
 - c. F&A
 - i. Budgets

- ii. Cost Share
- iii. Financials
- iv. Grant Reports
- v. Legal Entity
- vi. Projections
- vii. CC & Expenses Reimb.
 - d. HR
 - i. FO
 - ii. HO
- iii. Interns/Vols
 - e. Subs & Contracts
 - i. Subawards
 - ii. Consultants
 - iii. Purchase Orders
 - iv. Other

As a reminder, all documents in SharePoint, PandaDoc, etc. must follow our  E-Documents Nomenclature Policy. The policy requires that all files include the following in their title:

1. Funder (Grant) / Department name / Project (if applicable)
2. Document content summary
3. Date prepared or edited (year, month, day)
4. Initials of person preparing or editing if applicable, or status of doc (eg. Draft, final, etc.).

Example files names:

- USAID650 F2F Dmartin Per Diem for DC 2023-10-01 -10-05 Final
- BD Dmartin Per Diem for DC 2023-10-01 -10-05 Final

Please note the e-documents naming policy is a current requirement for all documents, both in SharePoint and PandaDoc. The compliance team will start flagging documents for employee's and their supervisors if the proper e-document naming convention is not followed.

If you have any questions about the new procedure or how to name documents, please don't hesitate to reach out.

Thank you,

Danielle Martin
