RSM Resilience Practice – Hotline Onboarding

Feb 2024

Agenda

- Introduction
- What it is
- Functionality
- Data required
- What is behind the Hotline?
- Questions?

Introduction

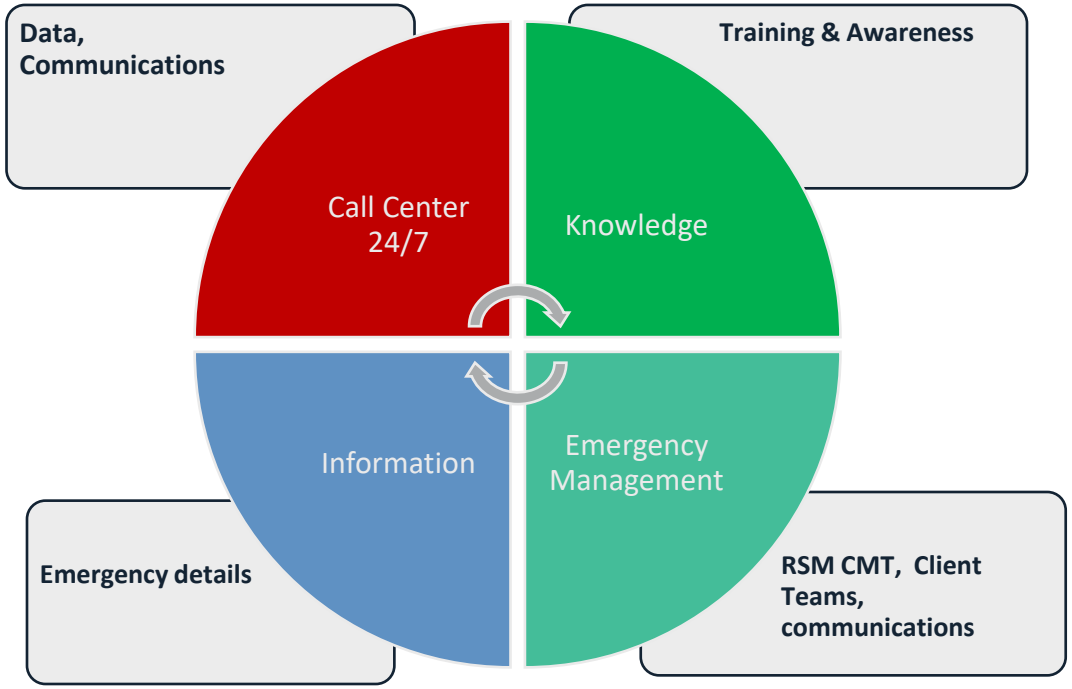
The Statement of Work (Extract Partners of the Americas – Services Agreement)

RSM will provide the following services:

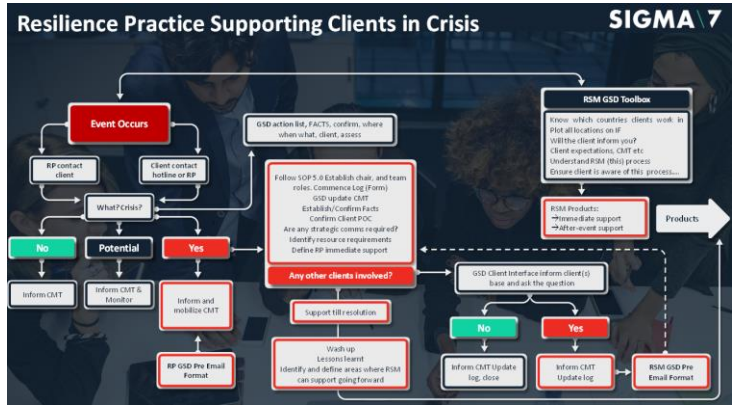
a. Access to a 24-7 staffed emergency hotline ("Hotline") enabling CLIENT staff to communicate with a dedicated point of contact on safety or security related matters, and which then enable COMPANY to provide advisory support to both the CLIENT staff initiating the call to the Hotline and to the CLIENT Headquarters team.
b. 12 hours of advisory support connected to calls made to the Hotline.

Period of Performance	1st Jan 2024 - 31st Dec 2024
Place of Performance	N/A

Functionality



Functionality



Emergency occurs → Call hotline → Call center asks a list of pre-determined questions → Call center contacts RSM by email and voice calls → RSM will activate pre-determined crisis management team → RSM will support and manage the emergency as required → RSM informs the client at each stage, provides advice and services as required → Resolution, report and assess process, adapt if required

Insurances

Pre-determined questions

Question
What is your name and contact number?
Where are you exactly - country, city, and address?
Are you in an immediate life-threatening situation?
Is it you who is at risk – or someone you know?
What is the name of your organization?
Are you on an official business trip?

What is the name of your S7 Practice?
What is your manager's name and number?
What is happening – explain the situation?
Who else is with you?
Do you have a medical emergency?
Do you have the company insurance provider's contact details if you have a medical emergency?

Have you informed anyone of the situation? Who? Contact name and number (Insurance, Embassy, Manager)
Have you contacted your organization?
Are there any ongoing actions that you know about?
Is there anyone you want RSM (RP) to contact?
Anything else?

- Have you a dedicated Crisis Management Plan and team?
- Do you have an emergency call tree?
- Do you intend to brief internally? Or case by case?

Next steps

- Send RSM card (number)
- Send data sheet email, complete and return
- Send emergency contact card

Hotline Emergency Data Sheet: Partners of the Americas **Data-sheet** and instructions

allows RSM to both support the individual at the point of an emergency situation, as well as activate your leadership team in a timely and effective manner to enable a broader crisis management response. The information provided in this data-sheet will be held in confidence. There will be two forms of activation:

Emergency PHONE Notifications	Non-Emergency EMAIL Notifications
• Immediate threats to life from security incidents • Serious injuries, assaults and hospitalizations • Serious accidents, including where no injuries have occurred	• Minor injuries or illness which are not life-threatening • Potential and upcoming risk periods • Administrative incidents [lost/stolen passport, money and IT]

It is important that this service is clearly defined within your team to avoid the system being used for administrative purposes [missed flights, lost money and equipment etc – which should be reported through the typical line management administrative process]. A ***staff message*** is provided in Appendix 1 which will assist you in advising staff members of what this service is designed for, and how it can be activated. If problems occur then further RSM points of contact can be found in Appendix 2. An ***Activation Card*** is provided as a separate and printable document which staff can print and carry with them. This should be sent with the staff message and handed to new joiners during induction.

EMERGENCY PHONE NOTIFICATION POINTS OF CONTACT

RSM recommends three layers of emergency notification:

Primary Emergency Point of Contact			
Name		Position	
Location		Email	
Office Phone		Mobile Phone	
Skype		Other Options	
Secondary Emergency Point of Contact			
Name		Position	
Location		Email	
Office Phone		Mobile Phone	
Skype		Other Options	
Tertiary Emergency Point of Contact			
Name		Position	
Location		Email	
Office Phone		Mobile Phone	
Skype		Other Options	

EMAIL NOTIFICATION DISTRIBUTIONS

Insert other Individuals to be notified within the "TO" line on an email for emergency and non-emergency communications:

Insert here

Insert other Individuals to be notified within the "COPY" line on an email for emergency and non-emergency communications:

Insert here

TIME SENSITIVE INSURANCE PROVIDER DETAILS

By providing insurance details RSM can notify the affected individual of ***time critical information*** which may enable a "self-help" response to an incident [such as activating medical insurance locally if injured or unwell]. Only insurance provisions which the individual needs to be aware of should be provided – allowing RSM to pass on these details directly to the staff member. Where situations are serious then RSM will activate the organization to alert them to the situation.

Medical Insurance Details			
Insurance Carrier Name		Coverages	
Policy Number		Website	
Phone Number		Email	
Client Manager		Email	

Please provide other time-sensitive insurance provider details [if applicable]:

Insurance Carrier Name		Coverages	General
Policy Number		Website	
Phone Number		Email	
Client Manager		Email	
Insurance Carrier Name		Coverages	Dental
Policy Number		Website	
Phone Number		Email	
Insurance Carrier Name		Coverages	Vision
Policy Number		Website	
Phone Number		Email	

Emergency Hotline Card

SIGMA\7 RSM
RESILIENCE AND TRAINING

This hotline is only to be used in the event of an immediate life-threatening situation while travelling internationally for work.

Hotline Number

[USA 001] 209-330-8454

This is a United States phone number, as such you will need to know the international dialing code for the country you are calling from. If in the United States, ring 911 for the police, fire and medical services.

This emergency contact card is provided to the management team to ensure redundancy contact options are available during an emergency. *This is not an all-staff emergency contact list.*

The contacts are provided in order of priority:

NAME: First Last	MOBILE:+1 (123) 456-789
NAME: First Last	MOBILE:+1 (123) 456-789
NAME: First Last	MOBILE:+1 (123) 456-789
NAME: First Last	MOBILE:+1 (123) 456-789
NAME: First Last	MOBILE:+1 (123) 456-789
