# Mkt, Comms&Innovation 2023 Action Plan

| Goals | | 2023 Actions/Deliverables | January | February | March | April | May | June | July | August | September | October | November | December |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| Goal 1 - Implement High Quality Programs | Objective 1.1. Ensure Financial & Administrative Compliance | Comply with POA policies for vendors contracts, procurement, visual compliance, etc. | | | | | | | | | | | | |
| | | Keep constant communications with F&A to ensure the unit is following and complying with POA policies and procedures | | | | | | | | | | | | |
| | | Manage and track the marketing, communications and innovation expenditures for every aspect of the unit. Work with F&A to develop the unit's budget report | | | | | | | | | | | | |
| | | Ensure vendors invoices are processed on time to avoid past due date payments. | | | | | | | | | | | | |
| | | Ensure the unit leadership and staff receive appropriate training and are skilled to use F&A platforms | | | | | | | | | | | | |
| | | Stay on top of regulatory requirements when brainstorming, developing and implementing marketing campaigns, specially for USG donors. | | | | | | | | | | | | |
| | | Ensure that any campaign or marketing initiative follow legal and/or organizational requirements and guidelines to avoid any potential liability to Partners. This includes co-branding partnerships, any action taken by other Partners' members such as chapters. Ej. Privacy laws, DEIA communications standards, | | | | | | | | | | | | |
| | | Peridiocally review the unit action plan with the OAU SVP | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | Objective 1.2 Ensure High-Quality Technical Delivery | Work with each of the programs' teams to define comms strategy, goals, objectives and to create an action plan for needed Communications deliverables to reach targets and accomplish program objectives. | | | | | | | | | | | | |
| | | Establish and implement policies and procedures to accomplish programs objectives and respond to the organizational priorities. | | | | | | | | | | | | |
| | | Incorporate/improve marketing project management to better support the programs and organization keeping campaings and projects on track and stakeholders informed about the different marketing/communications actions. Example: implement Monday.Com platform | | | | | | | | | | | | |
| | | Monitor marketing and communications projects results and progress for lessons learned and set standards for future projects | | | | | | | | | | | | |
| | | Implement Partners flagship programs for revenue generation and economic sustainability (EQUAL AMERICAS and Exchange Program) | | | | | | | | | | | | |
| | | Work with BD and PPP unit to support Partners with projects and campaings for fundraising and un-restricted revenue generation | | | | | | | | | | | | |
| | | Concordia Summit: Global Summit round table preparation. | | | | | | | | | | | | |
| | | Giving Tuesday Campaign | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |
| | | | | | | | | | | | | | | |

| | | |
|---|---|---|
| Goal 2 - Submit Competitive Proposals | Objective 2.1<br>Conduct Comprehensive Pre-Solicitation Activites | Work in coordination with Business Development Unit to create and strenghten POA brand awareness and identify opportunities for potential projects and donors. |
| | | Support Business Development with communication strategy and planning, define target audiences, messaging, content, hosted events, etc. |
| | | Work with Business Development to understand clients and donors needs |
| | | Develop BD materials to prospect new donors and partners for POA. |
| | | |
| | | |
| | | |
| | | |
| | | |
| | Objective 2.2<br>Develop High-Quality Proposals | Provide Communications annexes, narrative descriptions, copy editing support, and graphics for grants to generate winning grant proposals. |
| | | Lead the marketing/communication and branding plan, which can include strategy, ideas, scope of work, delivery time frames, budget |
| | | |
| | | |
| | | |
| | | |
| | | |

| | | |
|---|---|---|
| Goal 3 - Exemplify Professional & Organizational Capacity | Objective 3.1<br>Embody POA values through leadership and personnel management | Strenghthen team collaboration within the Communications team and other Partners units. |
| | | Hold a Communications retreats for the team (virtual and in person, when possible and needed), with Melissa and Andres coming to the U.S. when needed |
| | | Regular meetings and hurdles with the team. Keep focus on the unit mission and results. Accountability |
| | | Reinforce the reason of our work, that the team serves a greater purpose. Our work is not just a job! Our team is producing something bigger than ourselves. |
| | | Remind ourselves of the organization's core value and greater purpose in addition to recognize how the team's work contributes to the unit's and Partners' sucess |
| | | Improve team's morale by giving them hope and hunger for achieving their professional goals |
| | | Support positive and effective interpersonal relationships |
| | | Build mutual sense of trust, peer-to-peer, individual and team accountability |
| | | collaboration. |
| | | Positive feelings! Celebrate small accomplishments and provide support when something is not ok. |
| | | Be respectful to the differences and provide feed-backs. |
| | | Incentive and support professional training to overcome skills and competencies gaps. |
| | | |
| | Objective 3.2<br>Increase Individual and Organizational Capacity | Take at least one professional development training per member. Ex. American Marketing Association bootcamps, trainings; Linkedin, Corsera, etc. |
| | | Create a Full Brand Style Guide for teams across the organization to standardize branding and policies across our programs and Chapters. |
| | | procedures. |
| | | Build capabilities focused on strategic flexibility: agility and quick response to changes. Uncertainty is the new norm post pandemic! |
| | | Create and lead Partners Marketing and Communications Thought Leadership group (TBD) |
| | | |
| | Develop and leverage tools, technologies, processes, and | Create KPIs to increase the effectiveness of the marketing strategies and campaigns. Work with Management, Evaluation, Reasearch and Learning Unit? |
| | | Launch Partners Mobile App |
| | | recognition. |
| | | Develop a highly productive set of pitch materials for donors, volunteers, and members. |
| | | Implement Marketing Project Management tools (Ej. Asana, Monday.com, etc) |
