Education Unit 2023 Action Plan

Goals		Program	2023 Actions/Deliverables
al 1 - Implement High Quality Programs	Objective 1.1. Ensure Financial & Administrative Compliance	100K/USAID800	Come within 5-10% of projected unit budget for 2023.
		100K/USAID800	Develop, review, submit and monitor accurate budget projections through submission of monthly RFFs, and CFR to F&A.
		100K/USAID800	Track budget of 8 million dollars for JA including 3 sub-awards and at least 500,000 dollars budget for the 100K project through review of monthly ledgers to ensure that expenses are properly recorded and comply with the award terms and provisions.
		100K/USAID800	Review and correct JA and 100K award and subaward financial reports per month to ensure expenses are allowable under the awards and subaward budget and provisions, have supporting documentation, and adhere to the donor requirements.
			Draft and submit modification of sub-awards to increase obligated amounts
		All	Monitor compliance of sub-awards, contracts, other agreements and process payments
		100K/USAID800	Prepare and submit credit card expense reports, acurrately and in a timely manner
		100K/USAID800	Review and process per diem reimbursment requests, accurately and in a timely manner
		USAID800	By the end of 2023 conduct four mini-audits of field offices and/or subreceipient offices

Go	Objective 1.2 Ensure High-Quality Technical Delivery	100K/USAID800	By the due dates develop or revise annual work plans, MEL plans and any other deliverables as stated in the agreements.
		100K/USAID800	Monitor JA and 100K implementation including sub-grant with local partners, embassies and private sector grants to ensure that deliverables are met according to the deadlines established, communicating any issues, delays, or changes to progress to Partners Admin Units and donors, as necessary.
		100K/USAID800	By the end of 2023, conduct ten field visits to observe program activities, conduct interviews and focus groups with beneficiaries, meet with field staff and provide technical assistance to ensure quality and timely implementation.
		100K/USAID800	Through a continued implementation of monitoring, evaluation and adapting tools ensure field staff and subrecepients are on track to achieve FY and LOP targets, creating corrective action plans as necessary.
		100K/USAID800	Submit high-quality performance reports to donors according to the deadlines established in the awards
		100K/USAID800	Strengthen relationships with donors, grantees, and beneficiaries through clear and open communications, timely responses to tasks & information requests.
Goal 2 - Submit Competitive Proposals	Objective 2.1 Conduct Comprehensive Pre-Solicitation Activites	100K/USAID800	By the end of 2023, conduct capture work, including desk research, competitor monitoring, and partnership development for 2 multi-year multimillion dollar bids
		100K/USAID800	Ongoing throughout 2023, cultivate relationships with DOS, USAID, and other relevant implementing partners for long-term positioning on future bids/solicitations.
		100K	Cultivate non-USG/private sector prospective donors in order to meet 100 K cost-share requirements.
	Objective 2.2 Develop High-Quality Proposals	100K/USAID800	By the end of 2023, develop 2-3 high-quality proposals, including significant contributions to program design, technical narrative, M&E, and cost proposal
		100K/USAID800	By May 2023 develop a concept and implement a pilot project with POA and private sector funds in two priority countries for POA.

sional & Organizational Capacity	Objective 3.1 Embody POA values through leadership and personnel management	100K/USAID800	Each Education Unit staff with supervisory role attends a training related to leadership and/or staff supervision.
		100K/USAID800	Regularly recognize unit/staff achievements and provide open space for sharing challenges & constructive feedback by incorporating time in the team meeting agendas to address these topics.
		100K/USAID800	Implement 2-3 effective communication tools (from Humentum and/or similar resources) to cultivate mutual understanding, empathy, clarity, and respect among team members of the unit.
	Objective 3.2 Increase Individual and Organizational Capacity	100K/USAID800	By the end of 2023, education unit staff has a professional development plan and leverage Partners' LMS and/or PD funds to implement the plan.
		100K/USAID800	Define clear roles & responsibilities, enhance unit identity/mission, and increase cross-unit collaboration / knowledge sharing through coordination with HR to develop a unit-wide map that demonstrates staff skills areas, professional development interests, and roles & responsibilities.
		100K/USAID800	Organize one brown bag per semester to share information on the Education Unit projects.
		100K/USAID800	By the end of 2023, attend two external events to present Partners' Education Unit projects

Goal 3 - Exemplify Profess	Objective 3.3 Develop and leverage tools, technologies, processes, and systems	100K/USAID800	By June, 2023, in coordination with operations and F&A, implement a new streamlined field office and subrecipient financial reporting process, that reduces duplication of efforts, increases accountability, improves communications, and maintains strong checks and balances.
		100K/USAID800	By September 2023, ensure Education Unit's projects report using POA's ME system.
		100K/USAID800	Populate Partners´ Salesforce database with new and existing donor and potential partner POCs
	Objective 3.4 Communicate POA's Innovativeness & Impact	100K/USAID800	By the end of 2023, develop and deliver ten strategic written communications, including blogs, case studies, and success stories, to current and potential donors to highlight Partners' innovations and impacts.
		100K/USAID800	By the end of 2023, develop and deliver five public presentations and/or serve on panels to increase Partners' visibility and prominence as a thought leader in the field of international exchanges, workforce development and education programming.
		100K/USAID800	During the first quarter of 2023 collaborate in the development of the updated version of Partners' website by providing content and reviewing the design.
		100K/USAID800	Throughout 2023, participate in relevant 2-3 networks & associations, and attend relevant sector meetings and/or events to increase POA's visibility in the education sector.
