Goal 1 - Implement High Quality	Objective 1.2 Ensure High-Quality Technical Delivery	**Note for Discussion:** Many of the non-USG fundraising goals and activities that we are currently considering do not fit neatly into "Submit Competitive Proposals" or the sub-categories within that. We may want to suggest that the overall goal be changed to something like "Secure Sustainable Funding to Support POA Programs and Activities."												
Goal 2 - Submit Competitive Proposals	Objective 2.1 Conduct Comprehensive Pre-Solicitation Activites	Provide P3 BD Support to POA Units: Support partnership building in proposal development, especially to secure private and non-USG public investment/cost share - Meet 100K fundraising commitments (for grant competitions and cost share)												
		Design New Programs with Non-USG Partners: Design new program models or update program model(s) to expand POA's thematic areas, creating opportunities to collaborate with new partners (private sector companies, foundations, others) - e.g. the work of the Climate and Energy Working Group												
		Secure Unrestricted General Operating Support: Cultivate gifts from individuals, corporations, and foundations to support POA's general operating expenses												
		Develop a plan and timeline for setting up a traditional philanthropic fundraising operation, including individual/mass market giving, major gifts, and planned giving												
		Lead foundation fundraising, with support from BD and technical units												
		Explore viability of holding a Gala for fundraising purposes - Consider holding a gala in SEPT-OCT 2023												
		Onboard appropriate staff to achieve team goals												
		Scan and Track Other P3 Opportunities: Identify, monitor, and share P3 funding opportunities with key POA staff												
	ctive 2.2 Deve	Collaborate with BD to develop strong proposals for **foundations**												
Goal 3 - Exemplify Professional &	ctive 3.2 Incre	Participate in external fundraising related training to augment skills												
	e 3.3 Develop and	Identify and onboard appropriate fundraising technology and subscriptions												
		Develop a formal Gift Acceptance Policy												
	3.4 Communicate POA's	Collaborate effectively with the Communications and Marketing team for fundraising campaigns, collateral development, event planning, and wherever else appropriate
