Subject: Get Ready for the End-of-Year Performance Review Process & Annual Salary Increase Announcement

Dear Home Office & Project Directors,
As we approach the end of another incredible year, it's time to reflect on our achievements, growth, and the contributions that have driven our success as an organization. The **End-of-Year Performance Review Process** is a key opportunity for us to celebrate accomplishments, identify areas for development, and set clear goals for the year ahead.
Here's what you need to know:

Performance Review Timeline*

DATES	ACTIVITY
01/13/2025	**REQUIRED**: Session for Supervisors – *2024-2025 Performance Review Process & Evaluate the Performance, Not the Personality*
01/13/2025 to 01/24/2025	Employee Assessment
01/27/2025 to 02/07/2025	Supervisor Assessment
02/10/2025 to 02/21/2025	Finalize 2024 Review with Supervisor and Employees+
02/28/2025	Submit 2025 Goals
	+ If a review cannot be finalized between the employee and supervisor, please contact HR for assistance. *In the field, please refer to the local timeline issued by your HR representative

What to Expect

- **For Employees**: Take this opportunity to highlight your successes and share your vision for future growth.
- **For Supervisors**: Focus on evaluating results and behaviors, not personalities, and provide constructive feedback to support your team's development.

Please note that the process for the performance review in Paycom is the same as last year, if you decide to get an early start. The review is available on the Employee Self-Service under Performance Review. Once completed, please click on SAVE, and it will be routed to your supervisor. If project directors do not have access to Paycom, please use the Excel file.

Annual Salary Increase Announcement

A **flat 4% salary increase** has been authorized for all eligible home and field employees, effective 01/01/2025. Thank you for your dedication and commitment this year. This increase will be prorated for those who received a salary adjustment during the year or started working at Partners in 2024.
As we embark on this process, let's focus on growth, collaboration, and the incredible work we've accomplished together. Your contributions make Partners thrive, and this is a moment to recognize and build upon them.
If you have any questions about the review process, please get in touch with me.
Thank you for your continued commitment, and I look forward to an inspiring year ahead!
Your HR,
Natalie
