WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE

WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance.
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law.

Enforcement may be against us or against you and us.

4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the workers compensation law that apply to:
 - a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO
EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or

Canada who is temporarily outside these countries;

7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C Sections 901 et seq.), the Nonappropriated Fund Instrumentalities Act (5 U.S.C Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C Sections 1331 et seq.), the Defense Base Act (42 U.S.C Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;
9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We

have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below:

1. **Bodily Injury by Accident.** The limit shown for "bodily injury by accident – each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.
A disease is not bodily injury by accident unless it results directly from bodily injury by accident.
2. **Bodily Injury by Disease.** The limit shown for "bodily injury by disease – policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of

employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease – each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.

4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

**PART FOUR
YOUR DUTIES IF INJURY OCCURS**

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.
4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

**PART FIVE
PREMIUM**

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by

those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.

2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX CONDITIONS

A. Inspection

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they

comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

IN WITNESS WHEREOF, the company has caused this policy to be signed by its President and Secretary at Hartford, Connecticut and countersigned on the Information page by a duly authorized agent of the company.

POLICY AMENDATORY ENDORSEMENT – CALIFORNIA

It is agreed that, anything in the policy to the contrary notwithstanding, such insurance as is afforded by this policy by reason of the designation of California in Item 3 of the Information Page is subject to the following provisions:

- 1. Minors Illegally Employed – Not Insured.** This policy does not cover liability for additional compensation imposed on you under Section 4557, Division IV, Labor Code of the State of California, by reason of injury to an employee under sixteen years of age and illegally employed at the time of injury.
- 2. Punitive or Exemplary Damages – Uninsurable.** This policy does not cover punitive or exemplary damages where insurance of liability therefor is prohibited by law or contrary to public policy.
- 3. Increase in Indemnity Payment – Reimbursement.** You are obligated to reimburse us for the amount of increase in indemnity payments made pursuant to Subdivision (d) of Section 4650 of the California Labor Code, if the late indemnity payment which gives rise to the increase in the amount of payment is due less than seven (7) days after we receive the completed claim form from you. You are obligated to reimburse us for any increase in indemnity payments not covered under this policy and will reimburse us for any increase in indemnity payment not covered under the policy when the aggregate total amount of the reimbursement payments paid in a policy year exceeds one hundred dollars (\$100).

If we notify you in writing, within 30 days of the payment, that you are obligated to reimburse us, we will bill you for the amount of increase in indemnity payment and collect it no later than the final audit. You will have 60 days, following notice of the obligation to reimburse, to appeal the decision of the insurer to the Department of Insurance.

- 4. Application of Policy.** Part One, "Workers Compensation Insurance", A, "How This Insurance Applies", is amended to read as follows:

This workers compensation insurance applies to bodily injury by accident or disease, including death resulting therefrom. Bodily injury by accident must occur during the policy period. Bodily injury by disease must be caused or aggravated by the conditions of your employment. Your employee's exposure to those conditions causing or aggravating such bodily injury by disease must occur during the policy period.

- 5. Rate Changes.** The premium and rates with respect to the insurance provided by this policy by reason of the designation of California in Item 3 of the Information Page are subject to change if ordered by the Insurance Commissioner of the State of California pursuant to Section 11737 of the California Insurance Code.
- 6. Long Term Policy.** If this policy is written for a period longer than one year, all the provisions of this policy shall apply separately to each consecutive twelve-month period or, if the first or last consecutive period is less than twelve months, to such period of less than twelve months, in the same manner as if a separate policy had been written for each consecutive period.
- 7. Statutory Provision.** Your employee has a first lien upon any amount which becomes owing to you by us on account of this policy, and in the case of your legal incapacity or inability to receive the money and pay it to the claimant, we will pay it directly to the claimant.
- 8. Part Five, "Premium", E, "Final Premium", is amended to read as follows:**

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT DISCLOSURE ENDORSEMENT

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property, or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums during the immediately preceding calendar year.

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a calendar year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

POLICY NUMBER: UB-5K383220-26-42-G

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the United States Government would pay 80% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page.

FLORIDA EXPERIENCE RATING MODIFICATION FACTOR ENDORSEMENT

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

- A.** The premium for the policy will be adjusted by an experience rating modification factor. The factor was not available when the policy was issued. FLORIDA NON-COOPERATION WITH PREMIUM AUDIT ENDORSEMENT

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

This endorsement adds the following provisions to Part Five—Premium, G. Audit of the policy:

We are required to complete the premium audit process no later than 90 days after policy termination. If you fail to return the final mail audit or refuse to cooperate in completing the final physical audit or final physical onsite audit, you must pay us a premium not to exceed three times the most recent estimated annual premium on this policy subject to the following conditions:

1. We make two good faith efforts to obtain the final mail audit or complete the final physical audit or final physical onsite audit.
2. We document the audit file regarding the two good faith attempts to obtain the required audit information.
3. After the two good faith attempts to obtain records or gain access to your premises or your worksites, we send a letter by certified mail to you advising you of the specific records that are required or the premises or worksites that must be accessed and the premium that will be charged if you continue to refuse access to the records, premises, and/or worksites.

If you do not provide all the specific records required and/or fail to permit access to your premises or worksites as applicable, and if we satisfy the conditions above on or before 90 days from the date of policy termination, we may continue to try and conduct the audit and/or reopen the audit for up to three years from the date of policy termination. Alternatively, we may immediately bill you a premium not to exceed three times the most recent estimated annual premium on this policy. If you provide all the specific records required and/or permit access to the premises or worksites as applicable to complete the premium audit process within the three-year period, we will determine your final premium in accordance with Part Five—Premium, E. Final Premium of the policy.

If we cannot complete the audit because you do not permit us to make a physical inspection of your operation or provide us with the necessary records, you must pay us \$500 to defray the costs of the audit. The \$500 charge may be imposed only if we have incurred actual travel expenses and we notified you in writing of the potential charge when access was denied. Denial of access to records and your premises or worksites by your agent or representative is considered the same as a denial by you.

If you understate or conceal payroll, or misrepresent or conceal employee duties to avoid proper classification for premium calculations or misrepresent or conceal information pertinent to the calculation and application of an experience rating modification factor, then you, your agent or your attorney, must pay us a penalty charge of 10 times the difference in the amount of premium that you paid and the amount that you should have paid and reasonable attorney's fees. The penalty may be enforced in the Florida circuit courts.

At the end of each quarter, you must submit to us a copy of the quarterly earnings reports you filed with the Florida Department of Revenue and any self-audits supported by the quarterly earnings report. The report must include a sworn statement by an officer or principal of your company attesting to the accuracy of the information in it. If you have an employee who suffered a compensable injury and was not reported as having earned wages on your last quarterly earnings report, you must indemnify us for all workers compensation benefits paid to or on behalf of the employee unless you establish that the employee was hired after the filing of the quarterly report, in which case you and the employee must attest to fact that the employee was employed by you at the time of injury.

We may require that you provide written, electronic, or other recorded verification of the request before the cancellation takes effect. The cancellation is subject to the following:
 - a. If only your interest is affected, the effective date of cancellation will be the later of the date we receive notice from you or the date specified in the notice.
 - b. If by statute, regulation, or contract this policy may not be cancelled unless notice is given to a governmental agency or other third party, we will mail or deliver at least 10 days' notice to you and the third party as soon as practical after receiving your request for cancellation.
Our notice will state the effective date of cancellation, which will be the later of the following:
 - 1) 10 days from the date of mailing or delivering our notice, or
 - 2) The effective date of cancellation stated in your notice to us.
2. We may cancel or nonrenew this policy. 2. We may cancel or nonrenew this policy as follows:

NEW YORK CONSTRUCTION CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM EXPLANATORY ENDORSEMENT

Based on classification codes listed in your policy, you may be eligible for a premium credit under the New York Construction Classification Premium Adjustment Program (CPAP).

CPAP provides a premium credit for a policy (a) with Subject Premium in New York State (as defined in Rule VI (O) of the New York Workers' Compensation and Employers' Liability Manual (Manual)) of \$5,000 or more, (b) that contains one or more eligible construction classifications; and (c) that satisfies the hourly wage requirement for eligible classifications.

Construction classification codes that are eligible for the CPAP program are listed in the table below.

5102	5402	5506	5701	6233	7855	

Credits will be calculated by the New York Compensation Insurance Rating Board (Rating Board) for each individual policy and will only be applicable to that policy.

If an estimated CPAP credit is provided at policy issuance, such estimated credit will be subject to revision at premium audit.

A CPAP credit percentage will be determined based upon the hourly wage of each employee in a CPAP eligible classification. Employees in non-CPAP eligible classifications will be assigned a 0% credit.

At final premium audit, you must provide us with the information listed below so that CPAP credits can be appropriately calculated.

POLICY NUMBER: UB-5K383220-26-42-G

For Each Employee in CPAP Eligible Classification Codes

- (a) CPAP classification code;
- (b) Number of hours worked during the policy period (including overtime); and
- (c) Either (i) remuneration (as defined in Rule V Section (B) of the Manual) during the policy period or (ii) average base hourly wage.

* For the purposes of CPAP credit determination, employees with hours worked in multiple classifications during a policy period shall be assigned to the classification with the most hours worked during the policy period. For example, if during a policy period, an employee worked 1,000 hours in classification A and 600 hours in classification B, then for purposes of CPAP credit determination, that employee shall be treated as though all hours were worked in classification A.

For Employees in Non-CPAP Eligible Classification Codes

- (a) Total remuneration (as defined in Rule V Section (b) of the Manual) of all employees in each non-CPAP eligible classification code.

Upon our receipt of the above-listed information, we will submit same to the Rating Board for CPAP credit calculation.

During the premium audit of your policy, we will contact you to obtain the necessary information for the calculation of the CPAP credit. If you do not provide all necessary information within a reasonable timeframe (which shall not be less than 10 business days) following our request for that information, then we are not required to apply a CPAP credit to your policy. A carrier may require that employers submit CPAP information in a particular format or utilize a template provided.

Following final premium audit, the CPAP credit will appear in Item 4. of the Information Page of your policy alongside "Statistical Code 9046 Premium Adjustment Credit Factor".

INSURANCE CONSULTATION SERVICES EXEMPTION ACT**

This notice is issued by that member of The Travelers Insurance Companies which issued your insurance policy and shall be attached to and become a part of your policy.

This Notice is provided to you pursuant to the law of the Commonwealth of Pennsylvania effective January 1, 1981 and known as the "Insurance Consultation Services Exemption Act", which generally provides that "the furnishing of, or failure to furnish, insurance consultation services related to, in connection with or incidental to a policy of insurance shall not subject the insurer, its agents, employees or service contractors to liability for damages from injury, death or loss occurring as a result of any act or omission by any person in the course of such services."

Such immunity does not apply: (I) where the injury occurred during the actual performance of consultation services and was caused by the negligence of the insurer; (II) with respect to consultation services performed pursuant to a written service contract not incidental to a policy of insurance; and (III) in any action against an insurer in which it is judicially determined that any act or omission resulting in damages constituted a crime, actual malice or gross negligence.

The Travelers may make such inspection in accordance with provisions of our policies.

NONRENEWAL, NOTICE OF INCREASE OF PREMIUM, and RETURN OF
UNEARNED PREMIUM**

This endorsement applies only to the insurance provided by the policy because Pennsylvania is shown in Item 3.A. of the Information Page.

The policy conditions are amended by adding the following regarding nonrenewal, notice of increase in premium, and return of unearned premium.

Nonrenewal

1. We may elect not to renew the policy. We will mail to each named insured, by first class mail, not less than 60 days advance notice stating when the nonrenewal will take effect. Mailing that notice to you at your mailing address last known to us will be sufficient to prove notice.
2. Our notice of nonrenewal will state our specific reasons for not renewing.
3. If we have indicated our willingness to renew, we will not send you a notice of nonrenewal. However, the policy will still terminate on its expiration date if:
 - a. you notify us or the agent or broker who procured this policy that you do not want the policy renewed; or
 - b. you fail to pay all premiums when due; or
 - c. you obtain other insurance as a replacement of the policy.

Notice of Increase in Premium

1. We will provide you with not less than 30 days advance notice of an increase in renewal premium of this policy, if it is our intent to offer such renewal.
2. The above notification requirement will be satisfied if we have issued a renewal policy more than 30 days prior to its effective date.
3. If a policy has been written or is to be written on a retrospective rating plan basis, the notice of increase in premium provision of this endorsement does not apply.

Return of Unearned Premium

1. If this policy is canceled and there is unearned premium due you:
 - a. If the Company cancels, the unearned premium will be returned to you within 10 business days after the effective date of cancellation.
 - b. If you cancel, the unearned premium will be returned within 30 days after the effective date of cancellation.
2. Because this policy was written on the basis of an estimated premium and is subject to a premium audit, the unearned premium specified in 1a. and 1b. above, if any, shall be returned on an estimated basis. Upon our completion of computation of the exact premium, an additional return premium or charge will be made to you within 15 days of the final computation.
3. These return of unearned premium provisions shall not apply if this policy is written on a retrospective rating plan basis.

Travelers Medical Provider Network (MPN) Plan – CALIFORNIA Necessary Action for MPN Participation

Dear Policyholder:

As your workers compensation insurer, Travelers is pleased to include your Company in our California Medical Provider Network (MPN) plan. Travelers has an extensive MPN with physicians who understand workers compensation and are experienced in providing expert care for injured workers. Our program ensures that every covered employee that suffers a work-related injury or illness has access to prompt medical care and an improved likelihood of a safe return to work as soon as medically appropriate. MPN utilization can reduce overall workers compensation claim payouts by providing greater control over medical fees and obtaining more favorable medical treatment outcomes. Your role is crucial to the success of the MPN program. Together, we can better manage your Workers Compensation claims within the MPN.

The MPN is a standard product in all Travelers workers compensation policies, and all policyholders are expected to participate. This information is being provided to you to help you understand the requirements for proper MPN participation.

The State Division of Workers' Compensation (DWC) regulates how an employee is notified of an employer's MPN participation. Section § 9767.12 of Title 8, California Code of Regulations specifies what notices are to be provided to employees, as well as when and how they are to be provided. Information about the Travelers MPN and notice requirements is available to policyholders on **www.travelers.com**. Please type this web address into your browser to access the information:

www.travelers.com/CAMPN

A "Frequently Asked Questions" page is also available through the above web address. Look for the link called **FAQ – MPN**. If you have additional, general questions regarding the MPN and do not have a contact in the Claim Department, you can contact the **Travelers MPN Team** by calling **(800) 287-9682** or sending an email to **CAMPN@travelers.com**. Please listen for the prompts for *Employers or Employer Representatives*.

In addition to reviewing the information on our web page, we also recommend that you:

- Make sure your management staff has instructions on how to access the MPN Medical Provider directory via **www.travelers.com/CAMPN**.
- Select an occupational medicine clinic, urgent care clinic, or, an acute care hospital from the MPN to serve as your designated initial injury treatment facility for each plant/location. Contact this facility and inform them that you are participating in the Travelers Medical Provider Network Plan. Update the State Posting Notices to include the name, address, and phone number of the facility.
- Review your procedures for handling work-related injuries, your modified duty policy, and your safety committee operation with your management staff.

We believe the MPN program will provide better overall workers compensation outcomes for you as an employer.

Sincerely,

Travelers

POLICYHOLDER NOTICE
SHORT RATE CANCELATION
CALIFORNIA INSURANCE CODE SECTION 481

CA Insurance Code Section 481 requires that where an insurance policy includes a provision to refund premium on anything other than a pro rata basis, including the assessment of cancellation fees, the insurer must disclose that fact to the policyholder in writing prior to, or concurrent with, the proposal or quote prior to each renewal. The disclosure must include the actual or maximum fees or penalties to be applied. The WCIRB also created a Short Rate Cancellation Endorsement which complements the disclosure requirement. This requirement applies to insurance policies issued or renewed on or after January 1, 2012.

In order to respond to this insurance code requirement we have created this Policyholder Notice to disclose our use of short rate calculations as described in the California Short Rate Cancellation Endorsement included in the policy.

POLICYHOLDER NOTICE

CALIFORNIA WORKERS' COMPENSATION INSURANCE RATING LAWS

Pursuant to Section 11752.8 of the California Insurance Code, we are providing you with an explanation of the California workers' compensation rating laws.

1. We establish our own rates for workers' compensation. Our rates, rating plans, and related information are filed with the insurance commissioner and are open for public inspection.
2. The insurance commissioner can disapprove our rates, rating plans, or classifications only if he or she has determined after public hearing that our rates might jeopardize our ability to pay claims or might create a monopoly in the market. A monopoly is defined by law as a market where one insurer writes 20% or more of that part of the California workers' compensation insurance that is not written by the State Compensation Insurance Fund. If the insurance commissioner disapproves our rates, rating plans, or classifications, he or she may order an increase in the rates applicable to outstanding policies.
3. Rating organizations may develop pure premium rates that are subject to the insurance commissioner's approval. A pure premium rate reflects the anticipated cost and expenses of claims per \$100 of payroll for a given classification. Pure premium rates are advisory only, as we are not required to use the pure premium rates developed by any rating organization in establishing our own rates.
4. We must adhere to a single, uniform experience rating plan. If you are eligible for experience rating under the plan, we will be required to adjust your premium to reflect your claim history. A better claim history generally results in a lower experience rating modification; more claims, or more expensive claims, generally result in a higher experience rating modification. The uniform experience rating plan, which is developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner.
5. A standard classification system, developed by the insurance rating organization designated by the insurance commissioner, is subject to approval by the insurance commissioner. The standard classification system is a method of recognizing and separating policyholders into industry or occupational groups according to their similarities and/or differences. We can adopt and apply the standard classification system or develop and apply our own classification system, provided we can report the payroll, expenses, and other costs of claims in a way that is consistent with the uniform statistical plan or the standard classification system.
6. Our rates and classifications may not violate the Unruh Civil Rights Act or be unfairly discriminatory.
7. We will provide an appeal process for you to appeal the way we rate your insurance policy. The process requires us to respond to your written appeal within 30 days. If you are not satisfied with the result of your appeal, you may appeal our decision to the insurance commissioner.

CALIFORNIA WORKERS' COMPENSATION INSURANCE NOTICE OF NONRENEWAL

Section 11664 of the California Insurance Code requires us, in most instances, to provide you with a notice of nonrenewal. Except as specified in paragraphs 1 through 6 below, if we elect to nonrenew your policy, we are required to deliver or mail to you a written notice stating the reason or reasons for the nonrenewal of the policy. The notice is required to be sent to you no earlier than 120 days before the end of the policy period and no later than 30 days before the end of the policy period. If we fail to provide you the required notice, we are required to continue the coverage under the policy with no change in the premium rate until 60 days after we provide you with the required notice.

We are not required to provide you with a notice of nonrenewal in any of the following situations:

1. Your policy was transferred or renewed without a change in its terms or conditions or the rate on which the premium is based to another insurer or other insurers who are members of the same insurance group as us.
2. The policy was extended for 90 days or less and the required notice was given prior to the extension.

3. You obtained replacement coverage or agreed, in writing, within 60 days of the termination of the policy, to obtain that coverage.
4. The policy is for a period of no more than 60 days and you were notified at the time of issuance that it may not be renewed.
5. You requested a change in the terms or conditions or risks covered by the policy within 60 days prior to the end of the policy period.
6. We made a written offer to you to renew the policy at a premium rate increase of less than 25 percent.
 - (A) If the premium rate in your governing classification is to be increased 25 percent or greater and we intend to renew the policy, we shall provide a written notice of a renewal offer not less than 30 days prior to the policy renewal date. The governing classification shall be determined by the rules and regulations established in accordance with California Insurance Code Section 11750.3(c).
 - (B) For purposes of this Notice, "premium rate" means the cost of insurance per unit of exposure prior to the application of individual risk variations based on loss or expense considerations such as scheduled rating and experience rating.

This notice does not change the policy to which it is attached.

WHAT IS WORKERS' COMPENSATION?

If you get hurt on the job, your employer is required by law to pay for workers' compensation benefits. You could get hurt by:

One event at work. Examples: hurting your back in a fall, getting burned by a chemical that splashes on your skin or getting hurt in a car accident while making deliveries.

—or—

Repeated exposures at work. Examples: hurting your hand, back, or other part of your body from doing the same repeated motion or losing your hearing because of constant loud noise

—or—

Workplace crime. Examples: you get hurt in a store robbery, physically attacked by an unhappy customer.

Discrimination is Illegal

It is illegal under Labor Code section 132a for your employer to punish or fire you because you:

- File a workers' compensation claim
- Intend to file a workers' compensation claim
- Settle a workers' compensation claim
- Testify or intend to testify for another injured worker.

If it is found that your employer discriminated against you, he or she may be ordered to return you to your job. Your employer may also be made to pay for lost wages, increased workers' compensation benefits, and costs and expenses set by state law.

WHAT ARE THE BENEFITS

- **Medical care:** Paid for by your employer to help you recover from an injury or illness caused by work. Doctor visits, hospital services, physical therapy, lab tests and x-rays are some of the medical services that may be provided. These services should be necessary to treat your injury. There are limits on some services such as physical and occupational therapy and chiropractic care.

- **Temporary Disability (TD) benefits:** Payments if you lose wages because your injury prevents you from doing your usual job while recovering. The amount you may get is up to two-thirds of your wages. There are minimum and maximum payment limits set by state law. You will be paid every two weeks if you are eligible. For most injuries, payments may not exceed 104 weeks within five years from your date of injury. Temporary Disability (TD) stops when you return to work, or when the doctor releases you for work, or says your injury has improved as much as it's going to.
- **Permanent Disability (PD) benefits:** Payments if you don't recover completely. You will be paid every two weeks if you are eligible. There are minimum and maximum weekly payment rates established by state law. The amount of payment is based on:
 - Your doctor's medical reports
 - Your age
 - Your occupation
- **Supplemental Job Displacement Benefits (SJDB):** This is a voucher for up to \$6,000 that you can use for retraining or skill enhancement at an approved school, books, tools, licenses or certification fees, or other resources to help you find a new job. You are eligible for this voucher if:
 - You have a permanent disability.
 - Your employer does not offer regular, modified, or alternative work, **within 60 days** after the claims administrator receives a doctor's report saying you have made a maximum medical recovery.
- **Return-to-Work Supplemental Program (RTWSP):** For dates of injury after 1/1/2013, you may qualify for additional money from the Division of Workers' compensation program known as the Return-to-Work Supplement Program (RTWSP) if you received the Supplemental Job Displacement Voucher (SJDB). If you have questions or think you qualify, contact the Information & Assistance Unit by calling 1-800-736-7401 or visit website: <https://www.dir.ca.gov/RTWSP/RTWSP.html>
- **Death benefits:** Payments to your spouse, children or other dependents if you die from a job injury or illness. The amount of payment is based on the number of dependents. The benefit is paid every two weeks at a rate of at least \$224 per week. In addition, workers' compensation provides a burial allowance.

OTHER BENEFITS

You may file a claim with the Employment Development Department (EDD) to get state disability benefits when workers' compensation benefits are delayed, denied, or have ended. There are time restrictions so for more information contact the local office of EDD or go to their web site www.edd.ca.gov.

Workers' compensation fraud is a crime

Any person who makes or causes to be made any knowingly false statement in order to obtain or deny workers' compensation benefits or payments is guilty of a felony. If convicted, the person will have to pay fines up to \$150,000 and/or serve up to five years in jail.

WHAT SHOULD I DO IF I HAVE AN INJURY?

Report your injury to your employer

Tell your supervisor right away no matter how slight the injury may be. Don't delay – there are time limits. You could lose your right to benefits if your employer does not learn of your injury within 30 days. If your injury or illness is one that develops over time, report it as soon as you learn it was caused by your job. If you cannot report to the employer or don't hear from the claims administrator after you have reported your injury, contact the claims administrator yourself.

Workers' compensation insurance company or if employer is self-insured, person responsible for handling the claim is:

Address: _____

Phone: _____

You may be able to find the name of your employer's workers' compensation insurer at www.caworkcompcoverage.com. If no coverage exists or coverage has expired, contact the Division of Labor Standards Enforcement at www.dir.ca.gov/DLSE as all employees must be covered by law.

Get emergency treatment if needed

If it's a medical emergency, go to an emergency room right away. Tell the medical provider who treats you that your injury is job related. Your employer may tell you where to go for treatment.

Emergency telephone number: Call 911 for an ambulance, fire department or police. For non-emergency medical care, contact your employer, the workers' compensation claims administrator or go to this facility:

Fill out DWC 1 claim form and give it to your employer

Your employer must give you a **DWC 1 claim form** within one working day after learning about your injury or illness. Complete the employee portion, sign and give it back to your employer. Your employer will then file your claim with the claims administrator. Your employer must authorize treatment within **one working day** of receiving the **DWC 1 claim form**. If the injury is from repeated exposures, you have **one year** from when you realized your injury was job related to file a claim.

In either case, you may receive up to **\$10,000** in employer-paid medical care until your claim is either accepted or denied. The claims administrator has **up to 90 days** to decide whether to accept or deny your claim. Otherwise, your case is presumed payable. Your employer or the claims administrator will send you "benefit notices" that will advise you of the status of your claim.

MORE ABOUT MEDICAL CARE

What is a Primary Treating Physician (PTP)?

This is the doctor with overall responsibility for treating your injury or illness. He or she may be:

- The doctor you name in writing before you get hurt on the job
- A doctor from the medical provider network (MPN)
- The doctor chosen by your employer during the first 30 days of injury if your employer does not have an MPN or
- The doctor you chose after the first 30 days if your employer does not have a MPN.

What is a Medical Provider Network (MPN)?

A MPN is a select group of health care providers who treat injured workers. Check with your employer to see if they are using a MPN. If you have not named a doctor before you get hurt and your employer is using a MPN, you will see a MPN doctor. After your first visit, you are free to choose another doctor from the MPN list.

What is Predesignation?

Predesignation is when you name your regular doctor to treat you if you get hurt on the job. The doctor must be a medical doctor (M.D.), doctor of osteopathic medicine (D.O.) or a medical group with an M.D. or D.O. You must name your doctor in writing before you get hurt or become ill.

You may predesignate a doctor if you have health care coverage for non-work injuries and illnesses. The doctor must have:

- Treated you
- Maintained your medical history and records before your injury and
- Agreed to treat you for a work-related injury or illness before you get hurt or become ill.

You may use the "predesignation of personal physician" form included with this notice. After you fill in the form, be sure to give it to your employer. If your employer does not have an approved MPN, you may name your chiropractor or acupuncturist to treat you for work related injuries. The notice of personal chiropractor or acupuncturist must be in writing before you get hurt. You may use the form included in this notice. After you fill in the form, be sure to give it to your employer.

With some exceptions, state law does not allow a chiropractor to continue as your treating physician after 24 visits. Once you have received 24 chiropractic visits, if you still require medical treatment, you will have to select a new physician who is not a chiropractor. The term "chiropractic visit" means any chiropractic office visit, regardless of whether the services performed involve chiropractic manipulation or are limited to evaluation and management.

Exceptions to 24 visits include postsurgical physical medicine visits prescribed by the surgeon, or physician designated by the surgeon, under the postsurgical component of the Division of Workers' Compensation's Medical Treatment Utilization Schedule, or if your employer has authorized additional visits in writing.

WHAT IF THERE IS A PROBLEM?

Para la mayoría de las lesiones, los pagos no pueden superar las 104 semanas en un plazo de cinco años a partir de la fecha de la lesión. La discapacidad temporal (TD) finaliza cuando vuelve al trabajo, o cuando el médico le da el alta para trabajar o dice que su lesión ha mejorado todo lo que va a mejorar.

MÁS SOBRE LA ATENCIÓN MÉDICA

¿Qué es un médico tratante principal (Primary Treating Physician, PTP)?

Es el médico responsable del tratamiento de su lesión o enfermedad. Él o ella pueden ser:

- El médico que nombra por escrito antes de lesionarse en el trabajo.
- Un médico de la red de proveedores médicos (Medical Provider Network, MPN).
- El médico elegido por su empleador durante los 30 primeros días de la lesión si su empleador no dispone de una MPN.
- El médico que haya elegido después de los primeros 30 días si su empleador no dispone de una MPN.

¿Qué es una red de proveedores médicos (MPN)?

Una MPN es un grupo selecto de proveedores de atención médica que tratan a trabajadores lesionados. Consulte a su empresa si utiliza una MPN. Si no ha nombrado a un médico antes de lesionarse y su empleador utiliza una MPN, acudirá a un médico de la MPN; después de su primera visita, es libre de elegir otro médico de la lista de la MPN.

¿Qué es la designación previa?

La designación previa es cuando nombra a su médico habitual para que lo trate si se lesiona en el trabajo. El médico debe ser doctor en medicina (Medical Doctor, MD), doctor en medicina osteopática (Doctor of Osteopathic Medicine, DO) o un grupo médico con un MD o DO. Debe nombrar a su médico por escrito antes de lesionarse o enfermarse; puede designar previamente a un médico si tiene cobertura de atención médica para lesiones y enfermedades no laborales. El médico debe:

- Haberlo tratado.
- Haber mantenido su historial y expedientes médicos antes de la lesión.
- Haber acordado tratarlo por una lesión o enfermedad relacionada con el trabajo antes de que se lesionara o enfermara.

Puede utilizar el formulario de "designación previa de médico personal" incluido en este folleto. Después de rellenar el formulario, no olvide entregárselo a su empleador; si su empleador no tiene una MPN aprobada, puede nombrar a su quiropráctico o acupunturista para que le trate las lesiones relacionadas con el trabajo. El aviso del quiropráctico o acupunturista personal debe hacerse por escrito antes de que se lesione. Puede utilizar el formulario incluido en este folleto; Después de rellenar el formulario, no olvide entregárselo a su empleador;

Con algunas excepciones, la ley estatal no permite que un quiropráctico siga siendo su médico tratante después de **24 consultas**. Una vez que haya recibido 24 consultas quiroprácticas, si sigue necesitando tratamiento médico, tendrá que elegir un nuevo médico que no sea quiropráctico. Por "consulta quiropráctica" se entiende cualquier visita a un consultorio quiropráctico, independientemente de que los servicios prestados impliquen manipulación quiropráctica o se limiten a evaluación y gestión.

Las excepciones a las 24 consultas incluyen las consultas de medicina física posquirúrgicas prescritas por el cirujano, o el médico designado por el cirujano, en virtud del componente posquirúrgico del Programa de Utilización de Tratamientos Médicos de la División de Compensación por Accidentes Laborales, o si su empleador ha autorizado consultas adicionales por escrito.

IMPORTANT WORKERS COMPENSATION INFORMATION FOR FLORIDA'S EMPLOYERS – EMPLOYER FACTS

Your workers' compensation insurance policy covers medical and partial wage-replacement benefits for any employee who sustains a work related injury or illness.

This brochure will give you a better understanding of your role and responsibilities under the workers' compensation system.

Workers' Compensation Notice

The law requires that every employer who has secured workers' compensation coverage post in conspicuous place(s) a notice that contains the employer's insurance carrier information, the expiration date of the policy and an anti-fraud statement. The Division of Workers' Compensation has developed this notice, in poster form, for carriers to provide to their policyholders. Your carrier is required by law to provide you with the poster(s).

Even if employers have purchased workers' compensation policies, they shall be deemed to have failed to secure workers' compensation coverage if they have committed any of the following actions:

- materially understated or concealed payroll.
- materially misrepresented or concealed employee duties to avoid proper classification for premium calculations, or
- materially misrepresented or concealed information pertinent to the computation and application of an experience modification factor.

Employers who fail to secure workers' compensation coverage or fail to update information on their workers' compensation insurance application are subject to stop work orders and civil and criminal penalties.

First Report of Injury

As soon as you become aware of a work-related injury or illness, immediately contact your workers' compensation insurance carrier. If you do not report the injury or illness to your insurance carrier within seven days of the date you were informed, you may be subject to an administrative fine not to exceed \$2,000 per occurrence. Most insurance companies have a toll-free number to report work-related injuries. If you report the injury or illness to the insurance carrier by telephone, the carrier will complete the form and send a copy to you and the employer within three business days. You can also fill out the First Report of Injury or Illness form (DWC-10) and send it to the insurance carrier. The form contains employer, employee and accident information and can be obtained on the Division of Workers' Compensation Web site at www.MyFloridaCFO.com/WC/pdf/DFS-F2-DWC-1.pdf. You must also provide a copy of the First Report of Injury or Illness form to the employee. The employee's signature on the form is preferred, but if the employee is not able or available to sign it, then write "not available" in the employee signature box.

Workplace Fatalities

Employers must also report deaths resulting from work-related injuries or illnesses to the Division of Workers' compensation within 24 hours. To report a workplace fatality, call 1-800-219-8953 (in Florida) or 850-413-1611, or fax the First Report of Injury or Illness form containing the fatality information to 850-413-1980. To access the form, go to <http://www.MyFloridaCFO.com/WC/forms.html> and click on DWC-1.

Medical Benefits

As soon as you notify your carrier about your employee's work-related injury, the carrier will:

- Determine the compensability of the injury
- Provide an authorized doctor
- Pay for all authorized medically necessary care and treatment related to the injury or illness.
- Provide a one-time change of physician within five business days of receipt of your written request.

Authorized treatment and care may include:

- Doctor's visits
- Hospitalization
- Physical therapy
- Medical tests
- Prescription drugs
- Prostheses
- Travel expense to and from authorized providers or pharmacies.

Upon reaching maximum medical improvement (MMI), the employee is required to pay a \$10 copayment per visit for medical treatment. MMI occurs when the treating physician determines that the employee's injury has healed to the extent that further improvement is not likely.

Wage Replacement Benefits

Workers' compensation benefits for lost wages will start on the eight day that the injured employee is unable to work. The injured employee will not receive wage replacement benefits for the first seven days of work missed, unless he or she is out of work for more than 21 days due to the work-related injury. In most cases, the wage-replacement benefits will equal two-thirds of the employee's pre-injury regular weekly wage, but the benefit will not be higher than Florida's average weekly wage. If the employee qualifies for wage replacement benefits, he or she can expect to receive the first benefit check within 21 days after the carrier becomes aware of the injury or illness, and bi-weekly thereafter. The injured employee will be eligible for different types of wage replacement benefits, depending on the progress of the claim and the severity of the injury.

- Temporary Total Benefits. These benefits are provided as a result of an injury that temporarily prevents the employee returning to work and the employee has not reached MMI.
- Temporary Partial Benefits. These benefits are provided when the doctor releases the employee to return to work, and the employee has not reached MMI and earns less than 80 percent of the pre-injury wage. The benefit is equal to 80 percent of the difference between 80 percent of the pre-injury wage and the post-injury wage. The maximum length of time the injured employee can receive temporary benefits is 104 weeks or until the date of MMI is determined, whichever is earlier.
- Permanent Impairment Benefits. These benefits are provided when the injury causes any physical psychological or functional loss and the impairment exists after the date of MMI. A doctor will assign a permanent impairment rating, expressed as a percentage of disability to the body as a whole. If you return to work at or above your pre-injury wage, the permanent impairment benefit is reduced by 50%.
- Permanent Total Benefits. These benefits are provided when the injury causes the employee to be permanently and totally disabled according to the conditions stated in law.
- Death Benefits. Compensation for deaths resulting from work-related injuries or illnesses include payment of funeral expenses and dependency benefits (each are subject to limits defined by law). A dependent spouse may also be eligible for job training benefits.

Wage Statement Form

You must complete and provide a wage statement form (DFS-F2-DWS-1a) to your carrier for any employee who is entitled to wage replacement benefits, within 14 days after knowledge of the accident. You must also complete this form upon the termination of the employee or upon termination of fringe benefits for any employee who is collecting wage replacement benefits within seven days of such termination. To access the form go to <http://www.MyFloridaCFO.com/WC/forms.html> and click on DWC-1a.

Employee Assistance Office

If you have any questions or concerns about your employees' workers' compensation benefits, call your workers' compensation insurance carrier. If the insurance carrier does not provide the information that you have requested, you can call the Division of Workers' Compensation, Employee Assistance Office (EAO) at 1-800-342-1741. This office helps prevent and resolve disputes between injured workers and employers/carriers.

EAO specialists are knowledgeable about the workers' compensation system and may be able to answer your questions. EAO has offices throughout the state that you can call or visit. You can find EAO statewide locations at www.MyFloridaCFO.com/WC/organization/eao_offices.html.

In addition, the Division of Workers' Compensation has a Web site section on "Frequently Asked Questions for Employers," which can be accessed at <http://www.MyFloridaCFO.com/WC/faq/faqemployers.html>.

Petition for Benefits

To begin the judicial procedure for obtaining benefits that you believe are due and owing under the law and have not been provided by the employer or insurance carrier, a Petition for Benefits form must be filed with the Office of Judges of Compensation Claims. The form can be accessed at www.jcc.state.fl.us/jcc/forms.asp.

Anti-Fraud Reward Program

Workers' compensation fraud occurs when any person knowingly and with intent to injure, defraud or deceive any employer or employee, insurance carrier or self-insured program files false or misleading information. Workers' compensation fraud is a third-degree felony that can result in fines, civil liability and jail time. Rewards of up to \$25,000 may be paid to individuals who provide information that lead to the arrest and conviction of persons committing insurance fraud. To report suspected workers' compensation fraud, call 1-800-378-0445.

INFORMACIÓN IMPORTANTE DEL SEGURO DE INDEMNIZATION POR ACCIDENTES DE TRABAJO PARA LOS EMPLEADORES DE LA FLORIDA – INFORMACIÓN PARA EMPLEADORES

Su póliza de seguro por accidentes de trabajo cubre beneficios médicos y reemplazo parcial del salario para cualquier empleado que sostenga lesión o una enfermedad relacionada con su trabajo.

Este folleto le dará una mayor comprensión de su papel y responsabilidades bajo el Sistema de seguro por accidentes de trabajo.

Aviso de seguro por accidentes de trabajo

La ley requiere que cada empleador que ha adquirido una póliza de seguro por accidentes de trabajo coloque en un lugar o lugares conspicuo(s) un aviso que contenga información sobre la compañía de seguros, la fecha de vencimiento de la póliza, y una declaración en contra de fraude. La División de Compensación por Accidentes de Trabajo ha desarrollado este aviso en forma de cartel, para que las compañías de seguro se las proporcionen a sus asegurados. Su compañía de seguros tiene obligación legal de proveerle los cartels.

Aunque el empleador adquiera una póliza de seguros por accidentes de trabajo, se consideran no haberlo hecho si han cometido cualquiera de las siguientes acciones:

- Subestimar u ocultar nómina de pago.
- Falsificar u ocultar las responsabilidades del empleado para evitar la clasificación apropiada para los cálculos de la prima de seguro
- Falsificar u ocultar información pertinente al cálculo y aplicación de un factor de modificación de experiencia

Los empleadores que tienen obligación de proveer seguro por accidentes de trabajo pero no lo hacen o no actualizan la información reportada en la solicitud de seguro por accidentes de trabajo, son sujetos, a recibir una orden de suspensión de trabajo y penas civiles y criminales.

Primer reporte de la lesión o enfermedad

Tan pronto usted se entere de una lesión o enfermedad relacionada con un accidente en el lugar de trabajo, contacte inmediatamente a su compañía de seguro por accidentes de trabajo. Si usted no reporta la lesión o la enfermedad a la compañía de seguro en un plazo de siete días después de la fecha que usted fue informado, usted puede estar sujeto a una multa administrativa que no exceda \$2,000 por ocurrencia. La mayoría de las compañías de seguros tienen un número gratis para reportar lesiones relacionadas con el trabajo. Si usted reporta la lesión o la enfermedad a la compañía de seguros por teléfono, la compañía de seguros llenará el formulario y le enviará una copia al empleado dentro de tres días laborales. Usted también puede completar el primer reporte de la lesión o enfermedad (DWC-1) y enviarlo a la compañía de seguros. El formulario contiene información sobre el empleador, el empleado, y el accidente y se puede obtener en la página Web de la División de Compensación por Accidentes de Trabajo en www.MyFloridaCFO.com/WC/pdf/DFS-F2-DWC-1a.pdf. Usted debe también proveer una copia del primer reporte del accidente o enfermedad al empleado. Se prefiere la firma del empleado en el formulario, pero si el empleado no puede o no está disponible para firmarlo, escriba "no disponible" en la caja donde se pide la firma del empleado.

Fallecimientos relacionados con el trabajo

Empleadores también tienen que reportar muertes que resulten por lesiones o enfermedades relacionadas con el trabajo a la División de Compensación por Accidentes de Trabajo en un plazo de 24 horas. Para reportar una fatalidad en el lugar de trabajo, llame al 1-800-219-8953 (en la Florida) o al 850-413-1611, o envíe el primer reporte de la lesión o enfermedad con la información sobre la muerte por fax a 850-413-1980. Para tener acceso al formulario, vaya a la página web <http://www.MyFloridaCFO.com/WC/forms.html>. Haga clic en DWC-1.

Beneficios médicos

Tan pronto usted le notifique a la compañía de seguro sobre la lesión que sufrió su empleado en el trabajo, la compañía:

- Determinará si la lesión es compensable

- Proveerá un médico autorizado
- Pagará para todo el cuidado autorizado que sea médicamente necesario y este relacionado con la lesión u enfermedad.
- Proporcionará un solo cambio de médico dentro de cinco jornadas laborales del recibo de la petición de su empleado por escrito.

Atención médica y tratamientos autorizados pueden incluir:

- Consultas médicos
- Hospitalización
- Terapia física
- Exámenes médicos
- Medicamentos recetados
- Prótesis
- Gastos de ida y vuelta por viajes a consultas médicas o farmacias autorizadas.

En cuanto usted alcance la máxima mejoría médica (MMI por su sigla en Inglés) usted tendrá que pagar un copago de \$10.00 por cada consulta para tratamiento médico. La máxima mejoría médica ocurre cuando el médico que lo (a) atiende determina que la lesión o enfermedad del empleado se ha curado al grado que mejoría adicional no es probable.

Beneficios de reemplazo de salario

Los beneficios de reemplazo de salario comenzarán al octavo día que el empleado no pueda trabajar. El empleado lesionado no recibirá beneficio de reemplazo de salario por los primeros siete días que no pudo trabajar a menos que ha estado incapacitado por más de 21 días debido a su lesión o enfermedad relacionada con su empleo. En la mayoría de los casos, los beneficios de reemplazo de salario igualarán a dos tercios (2/3) del salario semanal regular del empleado antes de sufrir la lesión o enfermedad, pero el beneficio no excederá el promedio de los salarios semanales en la Florida. Si el empleado califica para los beneficios de reemplazo de salario, él o ella puede esperar recibir el primer cheque dentro de 21 días después de que la compañía de seguros se entere de la lesión o enfermedad. Los siguientes cheques se le enviarán cada dos semanas. El empleado lesionado será elegible para diversos tipos de beneficios de reemplazo de salario dependiendo del progreso del reclamo y de la severidad de la lesión.

- Beneficios Por incapacidad total temporal (TTD por su sigla en Inglés): Estos beneficios son proveídos como resultado de una lesión o enfermedad que temporalmente prohíbe que el empleado vuelva a trabajar, y el empleado no ha alcanzado la máxima mejoría médica.
- Beneficios Por incapacidad parcial temporal (TPD por su sigla en Inglés): Estos beneficios son proveídos cuando el médico le permite al empleado volver a trabajar, el empleado no ha alcanzado la máxima mejoría médica, y gana menos del 80% del salario que ganaba antes de sufrir la lesión o enfermedad. El beneficio es igual al 80% de la diferencia entre el 80% del salario de antes de la lesión y del salario después de la lesión. El periodo máximo que el empleado lesionado puede recibir beneficios temporales es 104 semanas o hasta que la fecha del MMI sea determinada, lo que ocurra primero..
- Beneficios por daños permanentes (IB por su sigla en Inglés) Estos beneficios son proveídos cuando la lesión o enfermedad causa cualquier pérdida física, psicológica o funcional y el impedimento existe después de la fecha de la máxima mejoría médica (MMI). Un médico asignará una valoración de incapacidad permanente a la lesión que será expresada como un porcentaje.
- Beneficios por incapacidad total permanente (PTD por su sigla en Inglés): Estos beneficios son proveídos cuando la lesión causa que el empleado sea permanente y totalmente incapacitado(a) según las estipulaciones de la ley .
- Indemnizaciones por fallecimiento: Compensación por accidentes de trabajo que resulten en la muerte del trabajador incluye pago de gastos para el funeral y beneficios para los dependientes del fallecido (estos son sujetos a límites definidos por ley). Un cónyuge dependiente puede ser elegible para entrenamiento vocacional.

Formulario de la declaración del salario

Usted debe llenar el formulario de la declaración del salario (DFS-F2-DWS-1a) para cualquier empleado que tenga derecho a recibir beneficios de reemplazo de salario y proveérselo a su compañía de seguros dentro de 14 días después del conocimiento del accidente. Usted también debe llenar el formulario al despedir o al dejar de proveer beneficios a cualquier empleado que esté recibiendo beneficios de reemplazo del salario. Esto se debe hacer en un plazo de 7 días de tal terminación. Para tener acceso a la forma vaya a la página web (<http://www.MyFloridaCFO.com/WC/forms.html>) y haga clic en DWC-1a.

Oficina de ayuda al trabajador

Si usted tiene algunas preguntas o preocupaciones sobre los beneficios que ofrece el seguro por accidentes de trabajo, llame a su compañía de seguros. Si la compañía de seguros no ofrece la información que usted ha pedido, usted puede llamar la División de Compensación, por Accidentes de Trabajo, oficina de Ayuda al Empleado (EAO) al 1-800-342-1741. Esta oficina ayuda a prevenir y a resolver disputas entre los trabajadores y los empleadores/las compañías de seguros.

MASSACHUSETTS BENEFITS DEDUCTIBLE PROGRAM BENEFITS CLAIM AND AGGREGATE DEDUCTIBLE PROGRAM

Dear Policyholder:

Section 25A of Chapter 152 Massachusetts Workers' Compensation Law requires the Massachusetts Workers' Compensation Assigned Risk Pool and voluntary market insurers to offer to insureds with workers' compensation policies, which provide coverage in Massachusetts, a choice of medical and indemnity benefits deductibles.

In accordance with the statute, as amended, the Division of Insurance has approved two separate and distinct deductible programs, one without an aggregate limit, and one with an aggregate limit. An insured may select either program, or neither of them. These programs are not available for insureds with retrospectively rated policies.

The first program, Massachusetts Benefits Deductible Program, without an aggregate limit, which has been in effect since January 1, 1993, is intended for insureds who have the financial ability to handle some losses they incur. This program allows these insureds to establish an amount of loss they can absorb and purchase insurance only for losses above that predetermined deductible amount.

Under this program, medical and indemnity deductibles of \$500, \$1,000, \$2,000 and \$2,500 shall be offered to every employer. In addition, an insurer or the Pool, at its option, may offer to any employer providing collateral deemed adequate by such insurer, a medical and indemnity benefits deductible of \$5,000.

The deductible shall apply separately to each claim for bodily injury by disease or accident. The insurer shall pay all benefits required under the provisions of M.G.L.c.152 directly to the appropriate party. Subsequent to insurer payment of any amount which falls within the deductible limit on any claim, the insurer may seek reimbursement from the policyholder. Failure to make complete reimbursement for deductibles within thirty days of receipt of bill from the insurer shall constitute non-payment of premium and be grounds for termination of the policy.

The entire cost of all claims shall be included in the experience data used to determine the experience modification of the insured regardless of the requirement that reimbursement must be made for the deductible amount on any claim.

If you wish to elect the Massachusetts Benefits Deductible Program, you must make your election before the effective date of your next policy.

The second program, Massachusetts Benefits Claim and Aggregate Deductible Program, is intended for insureds who have the financial ability to handle some losses they incur, subject to an aggregate amount. This program will allow these insureds to elect an amount of loss per claim and an overall aggregate amount of all losses they can absorb and purchase insurance only for losses above those predetermined amounts. The amount of premium credit will vary by size of risk.

A medical and indemnity claim deductible of \$2,500 and aggregate deductible amount of \$10,000 shall be offered to every employer with a basis for the aggregate limit at policy inception not in excess of \$200,000. Every employer with a basis for the aggregate limit of \$200,000 and greater shall be offered a medical and indemnity claim deductible of \$2,500 and an aggregate deductible amount of 5% of basis for the aggregate limit. The Aggregate Deductible amount and corresponding Premium Reduction Credit may change according to the level of final premium calculated at time of audit. The \$2,500 claim deductible amount shall apply separately to each claim for bodily injury by accident or disease, subject to the aggregate deductible amount. The insurer shall pay all benefits required under the provisions of law directly to the appropriate party. Subsequent to insurer payment of any amount which falls within the \$2,500 deductible limit on any claim, the insurer shall seek reimbursement from the policyholder. The aggregate deductible amount is the most that the policyholder must reimburse the insurer for the sum of all medical and indemnity benefits compensable under law for each policy period. Failure to make complete reimbursement for deductibles within 30 days of receipt of a bill from the insurer shall constitute non-payment of premium and be grounds for termination of the policy.

The entire cost of all claims shall be included in the experience data used to determine the experience modification of the insured regardless of the requirement that reimbursement must be made for the deductible amount on any claim.

If you wish to elect the Massachusetts Benefits Claim and Aggregate Deductible Program, you must make your election before the effective date of your policy.

*Please contact your producer or insurance company representative
promptly for additional information, including the premium credit
amounts which apply under these programs.*

Determination of Classification Change from 10/1/2024 to 10/1/2025 Rates

Company Name	Company Abbreviation	Company LCM
The Charter Oak Fire Insurance Company	COF	1.025
The Travelers Indemnity Company of America	TIA	1.140
The Travelers Indemnity Company of Connecticut	TCT	1.207
The Travelers Indemnity Company	IND	1.274
Travelers Casualty and Surety Company	ACR	1.341
Travelers Property Casualty Company of America	TIL	1.081
Travelers Casualty Insurance Company of America	ACJ	1.408
The Phoenix Insurance Company	PHX	1.475

Notes: "If you were insured with a **different carrier** last year, compare the current loss costs and multiplier to those used by your prior carrier.

To obtain the classification percentage change, multiply the loss cost classification percentage change in the attached pages by the change in LCM based on the writing company LCM and policy effective date found in the above table. Divide your Proposed Company LCM by your Prior Company LCM. (Small differences may exist due to rounding).

Example:

This example assumes a proposed effective date of 10/1/2025 (effective date of previous policy term was 10/1/2024).

Prior Company: TIL

Proposed Company: TIL

Class Code:3685

Take the change in decimal form for class 3685 from the attached pages (loss cost comparison) which is 0.871 (-0.129+1.000). Then multiply by the company LCM change (Proposed Company LCM / Prior Company LCM).

$$(0.871) \times (1.081 / 1.081) = 0.871 (-12.9\%)$$

which indicates a 12.9% decrease from the October 2024 rate. If the result of the multiplication was greater than 1.000, then the result is an increase. If the result of the multiplication is less than 1.000; this implies a decrease.

NEW YORK WORKERS' COMPENSATION

OCTOBER 1, 2025 LOSS COST REVISION

EXPLANATORY MEMORANDUM

An overall loss cost decrease of 13.2%, which includes a decrease of 13.6% in the average manual loss cost level and no change in the loss cost provision for terrorism, natural disasters and catastrophic industrial accidents, has been approved by the New York State Department of Financial Services to become effective on October 1, 2025.

The following is a description of the various components of the approved change:

Loss Experience – The latest two policy years of experience produced a decrease of 4.4% in the overall loss cost level.

Legislative Changes – This revision includes the estimated cost impacts of the latest increases in the maximum weekly benefits that were set forth in the 2007 workers' compensation reform legislation, the increases in the minimum weekly benefits that were signed into law on September 6, 2023, as well as the amended mental health law that became effective on June 4, 2025. The combined effect of these benefit level changes contributed an increase of 1.9% to the overall change.

Loss Adjustment Expenses – A review of the latest data available resulted in an increase of 1.4% in the Loss Adjustment Expense provision.

Future Trends – The latest analysis of New York claim severity and claim frequency indicates a decrease in claim frequency, and upward trends in both indemnity and medical claim costs. Combined with a projected wage trend, the final selected net trend factor is -12.5%.

Catastrophe Provision – This revision contains no changes in the loss cost provisions for terrorism and for natural disasters and catastrophic industrial accidents.

Classification Loss Costs – Although the average manual loss cost level is decreasing by 13.6%, individual classification loss cost changes are based on the most recently available loss experience for each classification. Both increases and decreases from the current loss costs have been actuarially calculated for each class. This process ensures that each classification loss cost reflects the appropriate level relative to the experience of the other classifications.

IMPORTANT NOTICE – PAYOR COMPLIANCE PROGRAM – NEW YORK

NO COVERAGE IS PROVIDED BY THIS NOTICE. THIS NOTICE DOES NOT AMEND ANY PROVISION OF YOUR POLICY. YOU SHOULD REVIEW YOUR ENTIRE POLICY CAREFULLY FOR COMPLETE INFORMATION ON THE COVERAGES PROVIDED AND TO DETERMINE YOUR RIGHTS AND DUTIES UNDER YOUR POLICY. PLEASE CONTACT YOUR AGENT OR BROKER IF YOU HAVE ANY QUESTIONS ABOUT THIS NOTICE OR ITS CONTENTS. IF THERE IS ANY CONFLICT BETWEEN YOUR POLICY AND THIS NOTICE, THE PROVISIONS OF YOUR POLICY PREVAIL.

In April 2015, the New York State Workers' Compensation Board issued Subject No. 046-760 to all employers, employees, insurance carriers providing benefits under the Workers' Compensation Law, attorneys and licensed representatives appearing before the Board regarding the Board's Payor Compliance Program. The subject number states that all payors (including carriers, third-party administrators [TPAs], self-insureds, self-insured trusts/groups and governmental subdivisions) will receive a quarterly report, starting in January 2016, of their performance in each of the following areas:

- Timeliness of the First Report of Injury Filing;
- Timeliness and Reporting of Initial Payment of Compensation;
- Timeliness of Notice of Controversy Filing; and
- Percentage of Claims Controverted.

Your timely reporting of claims is CRITICAL to ensuring compliance with this program. As mandated by WCL 110(2) and NYCRR 300.22, you, as an employer, must report any injury meeting either of the following criteria:

- Injury which has caused, or will cause, a loss of time from regular duties of one day beyond the work shift in which the accident occurred.
- More than ordinary first aid treatment, defined as a single treatment and subsequent observation of minor cuts, scratches, burns, splinters and the like, which do not ordinarily require medical care.

YOU MUST IMMEDIATELY REPORT ALL INJURIES THAT MEET EITHER OF THESE TESTS TO TRAVELERS OR YOUR TRAVELERS AUTHORIZED THIRD - PARTY CLAIMS ADMINISTRATOR.

WORKERS' COMPENSATION INFORMATION

Pennsylvania

THANK YOU FOR YOUR BUSINESS

We look forward to partnering with you in your Workers Compensation program.

The following will introduce you to Claim related forms and medical provider information that you need to be familiar with.

1. Forms – There are two forms that need to be signed by your employees, before an accident ever happens .
 - A. **Workers Compensation Information Form.** Please have your employees sign this form when you receive this letter, and again at the time of any reported accident or incident. Be sure th at this form is also signed by all newly hired employees. The two signatures (form signed at time of hire and form signed at time of reported accident) are required to comply with current guidelines set forth by the Pennsylvania Workers Compensation Bureau.
 - B. **Pennsylvania Rights and Duties.** Please have your employees sign this form shortly after receiving your policy packet, as well as at the time of any workers compensation accident or incident. This assures that your employees treat with a recommended network medical provider for the first 90 days following an injury when you have posted a List of Network Providers.
2. List of Network Medical Providers – This is also known as a "panel" list.
 - A. **Benefits:** Using a panel list provides you the opportunity to direct your employees for the first 90 days of a claim to a recommended network medical provider that is familiar with the workers compensation program, if you get the Rights and Duties signed. Using this panel list helps your employee to return to work and helps you by to reducing the overall cost of the workers compensation claim.

"Why not let people treat where they want?" Many family doctors or health care providers are not familiar with the workers compensation process and fail to properly address issues that we need them to address, such as medical causation and work status.

We recommend that you implement and post a panel list and have your employees sign the two forms to ensure the best possible outcome for your workers compensation claim. We feel it is important that you prepare for a claim event before it happens.

WORKERS' COMPENSATION INFORMATION Pennsylvania

To all employees:

The workers' compensation law in Pennsylvania provides wage loss and medical benefits to employees who cannot work, or who need medical care, because of a work-related injury.

Benefits are required to be paid by your employer when self-insured, or through insurance provided by your employer. Your employer is required to post the name of the company responsible for paying workers compensation benefits at its primary place of business and at its sites of employment in a prominent and easily accessible place, including, without limitation, areas used for treatment of injured employees or for the administration of first aid.

You should report immediately any injury or work-related illness to your employer.

Your benefits could be delayed or denied if you do not notify your employer immediately.

If your claim is denied by your employer, you have the right to request a hearing before a workers' compensation judge.

The Bureau of Workers' Compensation cannot provide legal advice. However, you may contact the Bureau of Workers' Compensation for additional general information at:

**NOTICE OF ELECTION TO ACCEPT AN INSURANCE DEDUCTIBLE
FOR PENNSYLVANIA WORKERS' COMPENSATION MEDICAL AND INDEMNITY BENEFITS**

Pennsylvania Policyholders

Pennsylvania law now permits an employer to buy Workers' Compensation Insurance with a deductible. The deductible is for medical and indemnity benefits and applies separately to each bodily injury by accident or disease during the policy term, regardless of the number of employees who sustain injury in the accident. The deductible amount is subject to a minimum of \$1,000 and a maximum of \$10,000 per claim, with intermediate increments shown in the table below.

To prevent putting you in an uninsured position, your policy has been issued at full rates with no deductible for medical benefits.

If you wish to have this deductible option apply to your policy, fill in the information requested at the bottom of this form. Retain your copy for your records and send the agent and company copies to your agent within sixty (60) days after the effective date of your policy. An endorsement (WC 37 04 03 (00)) will then be attached to your policy to reflect the change.

If you decide that you do not want a deductible to apply, or if you already have a deductible on the policy, you may disregard this form. Your policy will continue in force as issued.

For a complete explanation of how this program operates or the savings available please contact your producer.

STATE OF CALIFORNIA – DEPARTMENT OF INDUSTRIAL RELATIONS
Division of Workers' Compensation

Notice to Employees – Injuries Caused By Work

You may be entitled to workers' compensation benefits if you are injured or become ill because of your job. Workers' compensation covers most work-related physical or mental injuries and illnesses. An injury or illness can be caused by one event (such as hurting your back in a fall) or by repeated exposures (such as hurting your wrist from doing the same motion over and over).

Benefits. Workers' compensation benefits include:

- **Medical Care:** Doctor visits, hospital services, physical therapy, lab tests, x-rays, medicines, medical equipment and travel costs that are reasonably necessary to treat your injury. You should never see a bill. There are limits on chiropractic, physical therapy and occupational therapy visits.
- **Temporary Disability (TD) Benefits:** Payments if you lose wages while recovering. For most injuries, TD benefits may not be paid for more than 104 weeks within five years from the date of injury.
- **Permanent Disability (PD) Benefits:** Payments if you do not recover completely and your injury causes a permanent loss of physical or mental function that a doctor can measure.
- **Supplemental Job Displacement Benefit:** A nontransferable voucher, if you are injured on or after 1/1/2004, your injury causes permanent disability, and your employer does not offer you regular, modified, or alternative work.
- **Death Benefits:** Paid to your dependents if you die from a work-related injury or illness.

Naming Your Own Physician Before Injury or Illness (Predesignation). You may be able to choose the doctor who will treat you for a job injury or illness. If eligible, you must tell your employer, in writing, the name and address of your personal physician or medical group *before* you are injured. You must obtain their agreement to treat you for your work injury. For instructions, see the written information about workers' compensation that your employer is required to give to new employees.

If You Get Hurt:

1. **Get Medical Care.** If you need emergency care, call 911 for help immediately from the hospital, ambulance, fire department or police department. If you need first aid, contact your employer.
2. **Report Your Injury.** Report the injury immediately to your supervisor or to an employer representative. Don't delay. There are time limits. If you wait too long, you may lose your right to benefits. Your employer is required to provide you with a claim form within one working day after learning about your injury. Within one working day after you file a claim form, your employer or claims administrator must authorize the provision of all treatment, up to ten thousand dollars, consistent with the applicable treatment guidelines, for your alleged injury until the claim is accepted or rejected.
3. **See Your Primary Treating Physician (PTP).** This is the doctor with overall responsibility for treating your injury or illness.
 - If you predesignated your personal physician or a medical group, you may see your personal physician or the medical group after you are injured.
 - If your employer is using a medical provider network (MPN) or a health care organization (HCO), in most cases you will be treated within the MPN or HCO unless you predesignated a personal physician or medical group. An MPN is a group of physicians and health care providers who provide treatment to workers injured on the job. You should receive information from your employer if you are covered by an HCO or a MPN. Contact your employer for more information.
 - If your employer is not using an MPN or HCO, in most cases the claims administrator can choose the doctor who first treats you when you are injured, unless you predesignated a personal physician or medical group.
4. You may consult a licensed attorney to advise you of your rights under workers' compensation laws. In most instances, attorney's fees will be paid from your recovery.
5. **Medical Provider Networks.** Your employer may be using an MPN, which is a group of health care providers designated to provide treatment to workers injured on the job. If you have predesignated a personal physician or medical group prior to your work injury, then you may go there to receive treatment from your predesignated doctor. If you are treating with a non-MPN doctor for an existing injury, you may be required to change to a doctor within the MPN. For more information, see the MPN contact information below:

MPN website: WWW.TRAVELERS.COM/CAMPN

MPN Effective Date: 01-28-26 MPN Identification number 3195

If you have questions about the MPN or want to file a complaint against the MPN, call the MPN Contact Person at (800) 287-9682

Discrimination. It is illegal for your employer to punish or fire you for having a work injury or illness, for filing a claim, or testifying in another person's workers' compensation case. If proven, you may receive lost wages, job reinstatement, increased benefits, and costs and expenses up to limits set by the state.

Es posible que usted tenga derecho a beneficios de compensación de trabajadores si usted se lesiona o se enferma a causa de su trabajo. La compensación de trabajadores cubre la mayoría de las lesiones y enfermedades físicas o mentales relacionadas con el trabajo. Una lesión o enfermedad puede ser causada por un evento (como por ejemplo lastimarse la espalda en una caída) o por acciones repetidas (como por ejemplo lastimarse la muñeca por hacer el mismo movimiento una y otra vez).

Beneficios. Los beneficios de compensación de trabajadores incluyen:

- **Atención Médica:** Consultas médicas, servicios de hospital, terapia física, análisis de laboratorio, radiografías, medicinas, equipo médico y costos de viajar que son razonablemente necesarias para tratar su lesión. Usted nunca deberá ver un cobro. Hay límites para visitas quiroprácticas, de terapia física y de terapia ocupacional.
- **Beneficios por Incapacidad Temporal (TD):** Pagos si usted pierde sueldo mientras se recupera. Para la mayoría de las lesiones, beneficios de TD no se pagarán por más de 104 semanas dentro de cinco años después de la fecha de la lesión.
- **Beneficios por Incapacidad Permanente (PD):** Pagos si usted no se recupera completamente y si su lesión le causa una pérdida permanente de su función física o mental que un médico puede medir.
- **Beneficio Suplementario por Desplazamiento de Trabajo:** Un vale no-transferible si su lesión surge en o después del 1/1/04, y su lesión le ocasiona una incapacidad permanente, y su empleador no le ofrece a usted un trabajo regular, modificado, o alternativo.
- **Beneficios por Muerte:** Pagados a sus dependientes si usted muere a causa de una lesión o enfermedad relacionada con el trabajo.

Designación de su Propio Médico Antes de una Lesión o Enfermedad (Designación previa). Es posible que usted pueda elegir al médico que le atenderá en una lesión o enfermedad relacionada con el trabajo. Si elegible, usted debe informarle al empleador, por escrito, el nombre y la dirección de su médico personal o grupo médico, *antes* de que usted se lesione. Usted debe de ponerse de acuerdo con su médico para que atienda la lesión causada por el trabajo. Para instrucciones, vea la información escrita sobre la compensación de trabajadores que se le exige a su empleador darle a los empleados nuevos.

Si Usted se Lastima:

1. **Obtenga Atención Médica.** Si usted necesita atención de emergencia, llame al 911 para ayuda inmediata de un hospital, una ambulancia, el departamento de bomberos o departamento de policía. Si usted necesita primeros auxilios, comuníquese con su empleador.
2. **Reporte su Lesión.** Reporte la lesión inmediatamente a su supervisor(a) o a un representante del empleador. No se demore. Hay límites de tiempo. Si usted espera demasiado, es posible que usted pierda su derecho a beneficios. Su empleador está obligado a proporcionarle un formulario de reclamo dentro de un día laboral después de saber de su lesión. Dentro de un día después de que usted presente un formulario de reclamo, el empleador o administrador de reclamos debe autorizar todo tratamiento médico, hasta diez mil dólares, de acuerdo con las pautas de tratamiento aplicables a su presunta lesión, hasta que el reclamo sea aceptado o rechazado.
3. **Consulte al Médico que le está Atendiendo (PTP).** Este es el médico con la responsabilidad total de tratar su lesión o enfermedad.
 - Si usted designó previamente a su médico personal o grupo médico, usted puede consultar a su médico personal o grupo médico después de lesionarse.
 - Si su empleador está utilizando una Red de Proveedores Médicos (MPN) o una Organización de Cuidado Médico (HCO), en la mayoría de los casos usted será tratado dentro de la MPN o la HCO a menos que usted designó previamente un médico personal o grupo médico. Una MPN es un grupo de médicos y proveedores de atención médica que proporcionan tratamiento a trabajadores lesionados en el trabajo. Usted debe recibir información de su empleador si está cubierto por una HCO o una MPN. Hable con su empleador para más información.
 - Si su empleador no está utilizando una MPN o HCO, en la mayoría de los casos el administrador de reclamos puede escoger el médico que lo atiende primero, cuando usted se lesiona, a menos que usted designó previamente a un médico personal o grupo médico.
4. Puede consultar a un abogado con licencia para que le asesore sobre sus derechos bajo las leyes de compensación para trabajadores. En la mayoría de los casos, los honorarios del abogado se pagarán a partir de su recuperación.
5. **Red de Proveedores Médicos (MPN):** Es posible que su empleador use una MPN, lo cual es un grupo de proveedores de asistencia médica designados para dar tratamiento a los trabajadores lesionados en el trabajo. **Si usted ha hecho una designación previa de un médico personal antes de lesionarse en el trabajo, entonces usted puede recibir tratamiento de su médico previamente designado.** Si usted está recibiendo tratamiento de parte de un médico que no pertenece a la MPN para una lesión existente, puede querer que usted se cambie a un médico dentro de la MPN. Para más información, vea la siguiente información de contacto de la MPN :

Página web de la MPN: **WWW.TRAVELERS.COM/CAMPN**

Fecha de vigencia de la MPN: **01-28-26** Número de identificación de la MPN: **3195**

Discriminación. Es ilegal que su empleador le castigue o despidan por sufrir una lesión o enfermedad en el trabajo, por presentar un reclamo o por testificar en el caso de compensación de trabajadores de otra persona. De ser probado, usted puede recibir pagos por pérdida de sueldos, reposición del trabajo, aumento de beneficios y gastos hasta los límites establecidos por el estado.

Cualquier persona que haga o que ocasione que se haga una declaración o una representación material intencionalmente falsa o fraudulenta, con el fin de obtener o negar beneficios o pagos de compensación de trabajadores, es culpable de un delito grave y puede ser multado y encarcelado.

The Workers' Compensation Law provides you, as a worker in the State of Georgia, with certain rights and responsibilities should you be injured on the job. The Workers' Compensation Law provides you coverage for a work-related injury even if an injury occurs on the first day on the job. In addition to rights, you also have certain responsibilities. Your rights and responsibilities are described below.

However, in an emergency, you may get temporary medical care from any doctor until the emergency is over, then you must get treatment from a doctor on the posted list.
3. - **Medical Care**

You are entitled to reasonable and necessary medical care for work-related injuries or diseases. Employers or their insurance carriers are required by law to provide these services. During the first 28 days of treatment, your employer has the right to choose the physician. After 28 days you are free to change physicians, but you must notify your employer of the change. If you receive treatment from a physician of your choice, you shall obtain and promptly furnish a report to your employer.

If your employer refuses to provide medical care, you should contact Michigan's Workers' Disability Compensation Agency at its toll-free telephone number: **1-888-396-5041**.

You should not receive a bill from a health care provider for treatment of a covered work-related injury or illness. If you do receive such a bill, you should contact your employer or the employer's insurance carrier.

- **Wage Loss Benefits**

You are entitled to weekly workers' compensation benefits if you suffer a wage loss for more than seven consecutive days. These benefits may be claimed as long as a disability and wage loss continue. Generally, the benefit rate is 80% of your after-tax average weekly wage, subject to a maximum rate.

- **Vocational Rehabilitation**

If you are unable to perform the work that you have done previously, you are entitled to vocational rehabilitation. The number one goal is your return to work with your employer. If you cannot do this or require assistance in finding a new job, vocational rehabilitation services can help.

EMPLOYER: PLEASE POST THIS NOTICE FOR YOUR EMPLOYEES TO SEE!

Michigan Workers' Disability Compensation Rights & Responsibilities

Each party involved in the workers' compensation system has rights and responsibilities that help ensure the successful application of the law, and ultimately a safe return to work for the employee.

EMPLOYEES

- **Report all injuries to your supervisor immediately!**
- Most workers are covered under workers' compensation from the start of employment.
- Benefits include reasonable & necessary medical care, wage loss benefits, and vocational rehabilitation services.
- A compensable injury is one that has arisen "out of and in the course of employment." In other words, work must cause the disability.
- Workers' compensation is the "exclusive remedy" for work injuries, meaning that in most cases you cannot sue for other damages.
- There is a 7-day waiting period for wage loss benefit payments. If the disability lasts beyond one week, the worker is entitled to benefits as of the eighth day after the injury. If a disability continues for two weeks or longer, then the worker is entitled to be paid compensation for the first week of disability from the date of disablement. Paid medical leave may apply during the 7-day waiting period.
- There is no waiting period for medical benefits; coverage begins at the time of the injury.
- In most cases, wage loss benefits are calculated by taking the average of the highest 39 weeks of the last 52 weeks of gross wages prior to injury. Generally, you should receive 80% of the after-tax value of this average.
- Your first check is due and payable on the 14th day of disability. However, a benefit check is not considered "late" until 30 days after the due date.
- Weekly benefits continue so long as you are disabled, which could be for the rest of your life. However, benefits can be reduced by up to 50% after age 65 at 5% per year up to age 75, or upon receipt of social security retirement benefits.
- If you are only partially disabled, you do have a duty to seek reasonably available work, taking into consideration those limitations (restrictions) from the work-related personal injury or disease.
- If you have **more than one job** covered under the Worker's Disability Compensation Act, you get credit for all wages earned in those jobs.
- **Medical Benefits:** You are entitled to all reasonable and necessary medical care including surgical, hospital, and dental services, as well as crutches, hearing apparatus, chiropractic treatment, and nursing care. These services are provided indefinitely as long as there is a need related to the injury.
- **Choosing A Doctor:** During the first 28 days of treatment, the employer has the right to choose the doctor. After that, you are free to change doctors providing that you notify the employer and insurance company, preferably in writing. You do not need authorization from the insurance company or the employer to be medically treated, as long as the treatment is reasonable and necessary, and your claim is not in dispute.
- **Maintaining Contact:** It is extremely important that you maintain regular contact with your employer throughout the treatment and recovery period so that they are aware of your progress. Provide your employer with updated work status reports and discuss early return to work options.
- **Vocational Rehabilitation:** If you have a work-related injury or illness which prevents you from being able to perform work for which you have previous training or experience, you are entitled to vocational rehabilitation benefits. Vocational rehabilitation can include a variety of professional services designed to help injured workers re-enter the workforce. These services may include job placement assistance, retraining support, or guidance in starting your own business. Vocational rehabilitation services are paid for by the employer/insurance carrier, so in most cases you must have an open workers' compensation claim to receive rehabilitation benefits.
- You may also be eligible for Family Medical Leave Act (FMLA) benefits. If you have questions, you should contact the U.S. Department of Labor.

EMPLOYERS

- **Stay in touch with your employees while they are off work!** Look for appropriate light duty work options and accommodations when possible.
- All public and most private employers in Michigan are covered by workers' compensation. Every employer subject to the Act must provide proof of insurance or be approved for self-insurance to ensure benefits can be paid to its workers should they become injured.
- Eligible employees are covered under workers' compensation from the date of employment.
- There are severe penalties if an employer fails to provide workers' compensation coverage.

EMPLOYER REPORTING

- **All claims must be reported to your insurance carrier.**
- **Form WC-100** must be filed with the Workers' Disability Compensation Agency (WDCA) and your insurance carrier immediately upon the disability exceeding 7 consecutive days, death or specific loss. A copy of this form must also be given to the employee.
- You must ensure that reasonable and necessary medical treatment is provided promptly.
- You will need to provide a wage history report to the insurance carrier in order to calculate the correct benefit amount.
- **Minors:** The Act provides that an illegally employed minor is entitled to double compensation if injured.

INSURANCE COMPANIES

- **Prompt and regular payment of benefits is required by law.**
- Form WC-701: Must be filed with the WDCA when wage loss benefits begin, change or stop.
- Form WC-110: Must be filed with the WDCA 3 months post-injury, and every 4 months after, to report on vocational rehabilitation activity.
- Form WC-107: Must be filed with the WDCA if a claim is disputed.
- Medical services rendered are subject to the State of Michigan Health Care Services Rules and Fee Schedule.
- Injured workers are not to be "balance billed" for charges over and above the fee schedule.
- Benefits are not to be stopped for non-cooperation with vocational rehabilitation; a hearing must be requested prior to stoppage.

Notification to Employees of Their Rights and Duties Under the PA Workers' Compensation Act Section 306 (f.1)(1)(i)

The Pennsylvania Workers' Compensation Act requires that employees be given written notice of their rights and duties under Sec. 306 (f.1)(1)(i) of the Act if a list of designated health care providers is established by the employer. The text of this section is provided on the next page.

If you are viewing this electronically, your electronic signature will be your acknowledgement that you have been provided with your rights and duties; otherwise, you must acknowledge this with your signature and return it to your employer. You may keep a copy for your records.

Rights and Duties

As an employee of the commonwealth working at a location where a list of designated health care providers has been established and posted, you have the right to seek emergency medical treatment from any provider; for post-emergency and other injuries, you must obtain treatment for work-related injuries and illnesses from a designated health care provider for 90 days. The penalty for not using a designated health care provider is that the commonwealth is not liable for the medical bills incurred. Specific rights and duties are:

- The duty to obtain treatment for work-related injuries and illnesses from one or more of the designated health care providers for 90 days from the date of the first visit to a designated provider.
- The right to seek emergency medical treatment from any provider, but subsequent non-emergency treatment shall be by a designated provider for the remainder of the 90-day period.
- The right to have all reasonable medical supplies and treatment related to the injury paid for by your employer as long as treatment is obtained from a designated provider during the 90-day period.
- The right, during this 90-day period, to switch from one designated health care provider to another designated provider.
- The right to seek treatment from a provider if you are referred to that provider by a designated provider.
- The right to an additional opinion from a provider of your choice when invasive surgery is prescribed by the designated provider.
- The right to seek treatment or medical consultation from a non designated provider during the 90-day period, but the services shall be **at your expense** for the applicable 90 days.
- The right to seek treatment from any health care provider after the 90-day period has ended.
- The duty to **notify your employer of treatment by a non designated provider (after the 90 day period) within 5 days of the first visit to that provider.** The employer may not be required to pay for treatment rendered by a non designated provider prior to receiving this notification.

I acknowledge that I have been informed of my rights and duties under Sec. 306 (f.1)(1)(i) and that I understand them to the extent they are explained above.

Text of Section 306 (f.1)(1)(i): The employer shall provide payment in accordance with this section for reasonable surgical and medical services, services rendered by physicians or other health care providers, including an additional opinion when invasive surgery may be necessary, medicines and supplies, as and when needed. Provided an employer establishes a list of at least six designated health care providers, no more than four of whom may be a coordinated care organization and no fewer than three of whom shall be physicians, the employee shall be required to visit one of the physicians or other health care providers so designated and shall continue to visit the same or another designated physician or health care provider for a period of ninety (90) days from the date of the first visit: provided, however, that the employer shall not include on the list a physician or other health care provider who is employed, owned or controlled by the employer or the employer's insurer unless employment, ownership or control is disclosed on the list. Should invasive surgery for an employee be prescribed by a physician or other health care provider so designated by the employer, the employee shall be permitted to receive an additional opinion from any health care provider of the employee's own choice. If the additional opinion differs from the opinion provided by the physician or health care provider so designated by the employer, the employee shall determine which course of treatment to follow: provided, that the second opinion provides a specific and detailed course of treatment. If the employee chooses to follow the procedures designated in the second opinion, such procedures shall be performed by one of the physicians or other health care providers so designated by the employer for a period of ninety (90) days from the date of the visit to the physician or other health care provider of the employee's own choice. Should the employee not comply with the foregoing, the employer will be relieved from liability for the payment for the services rendered during such applicable period. It shall be the duty of the employer to provide a clearly written notification of the employee's rights and duties under this section to the employee. The employer shall further ensure that the employee has been informed and that he understands these rights and duties. This duty shall be evidenced only by the employee's written acknowledgment of having been informed and having understood his rights and duties. Any failure of the employer to provide and evidence such notification shall relieve the employee from any notification duty owed, notwithstanding any provision of this act to the contrary, and the employer shall remain liable for all rendered treatment. Subsequent treatment may be provided by any health care provider of the employee's own choice. Any employee who, next following termination of the applicable period, is provided treatment from a nondesignated health care provider shall notify the employer within five (5) days of the first visit to said health care provider. Failure to so notify the employer will relieve the employer from liability for the payment for the services rendered prior to appropriate notice if such services are determined pursuant to paragraph (6) to have been unreasonable or unnecessary.

¿Qué es un Ombudsman ? Un Ombudsman es un empleado de OIEC que puede asistir si usted tiene una disputa con la aseguradora de su empleador. La asistencia por parte de un Ombudsman es gratuita.

Cada Ombudsman ha completado un extenso programa de capacitación, el cual ha sido diseñado específicamente para asistirle a usted con su disputa.

Un Ombudsman puede ayudarle a identificar y desarrollar los asuntos en disputa en su caso e intentar resolverlos. Si los asuntos no pueden ser resueltos, el Ombudsman puede ayudarle a solicitar un procedimiento de resolución de disputas ante el Departamento de Seguros de Texas, División de Compensación para Trabajadores (Texas Department of Insurance, Division of Workers' Compensation).

Una vez que el procedimiento ha sido programado, el Ombudsman puede:

- Ayudarle a prepararse para el procedimiento (Conferencia para Revisión de Beneficios [Benefit Review Conference, por su nombre en inglés] y/o Audiencia para Disputar Beneficios [Contested Case Hearing, por su nombre en inglés]);
- Asistir al procedimiento con usted y hablar en su nombre; y
- Ayudarlo a usted con una apelación o con una respuesta a la apelación de una aseguradora, si es necesario.

THE EMPLOYEE SHOULD:

1. Immediately give notice to the employer, in writing, of the injury or occupational disease and the date of accident or notice of the occupational disease.
2. Promptly give to the employer and to the Virginia Workers' Compensation Commission notice of any claim for compensation for the period of disability beyond the seventh day after the accident. In case of fatal injuries, notice must be given by one or more dependents of the deceased or by a person in their behalf.
3. In case of failure to reach an agreement with the employer in regard to compensation under the act, file application with the Commission for a hearing within two years of the date of accidental injury or first communication of the diagnosis of an occupational disease.
4. If medical treatment is anticipated for more than two years from the date of the accident and no award has been entered, the employee should file a claim with the Commission within two years from the date of the accident.

NOTE: The employer's report of accident is not the filing of a claim for the employee.

2. Report the injury to the Commission through your carrier or directly to the Commission.

EL EMPLEADO DEBE:

1. Dar aviso inmediato, por escrito, al empleador sobre lesiones o enfermedad ocupacional y dar la fecha del accidente o del aviso de la enfermedad ocupacional.
2. Dar aviso inmediato al empleador y a "Virginia Workers' Compensation Commission" de cualquier reclamo por compensación por periodos de incapacidad de más de siete días después del accidente. En caso de lesiones fatales, el aviso debe ser dado por uno o más de los dependientes o herederos del difunto o las personas que los representan.
3. Presentar una solicitud a la Comisión para una audiencia dentro de dos años de la fecha de la lesión por accidente o de la primera comunicación del diagnóstico de enfermedad ocupacional, si no llega a un acuerdo con el empleador en relación al pago de compensación bajo la Ley.
4. Presentar una solicitud a la Comisión dentro de los dos años de la fecha del accidente, si el tratamiento médico es anticipado por más de dos años de la fecha del accidente y el empleado no ha recibido una orden de la Comisión.

NOTA: El reporte de accidente del empleador no es la presentación del reclamo del empleado. El pago voluntario de sueldos o compensación durante la incapacidad o de los gastos médicos, no afecta el transcurso de la limitación del tiempo para presentar reclamos. La Comisión debe dar una orden cubriendo acuerdos voluntarios y si no, una reclamación debe ser presentada por el empleado dentro de los dos años del accidente; un año en caso de fallecimiento.

EL EMPLEADOR DEBE:

1. Al momento del accidente, dar al empleado los nombres de por lo menos tres médicos, de los cuales el empleado puede escoger un médico para su tratamiento.
2. Reportar las lesiones a la Comisión a través de su representante o directamente a la Comisión.
3. Determinar exactamente el salario semanal del empleado, incluyendo sobretiempo, comidas, uniformes, etc.

Preguntas pueden ser contestadas llamando a la Comisión. Un folleto explicando la Ley de Compensación Para Los Trabajadores está disponible sin costo de:
