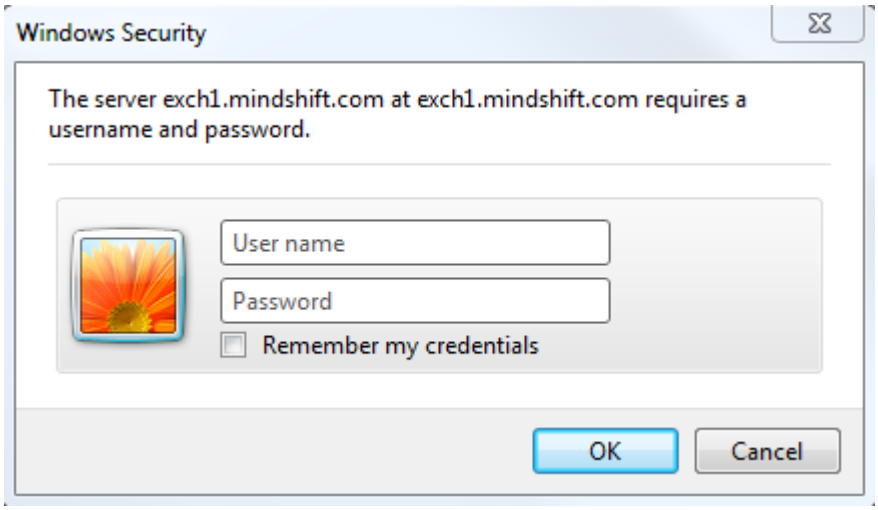
Outlook Web Access

OWA (Outlook Web Access) allows you to check your email using any internet connection.

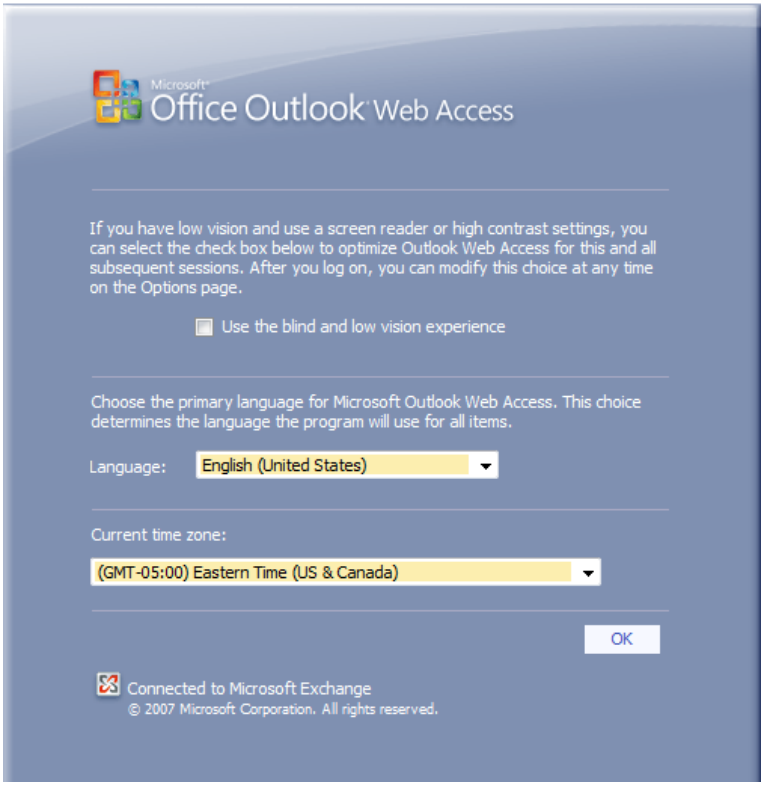
To login to OWA go to https://Exch1.mindshift.com

The login prompt below will appear.



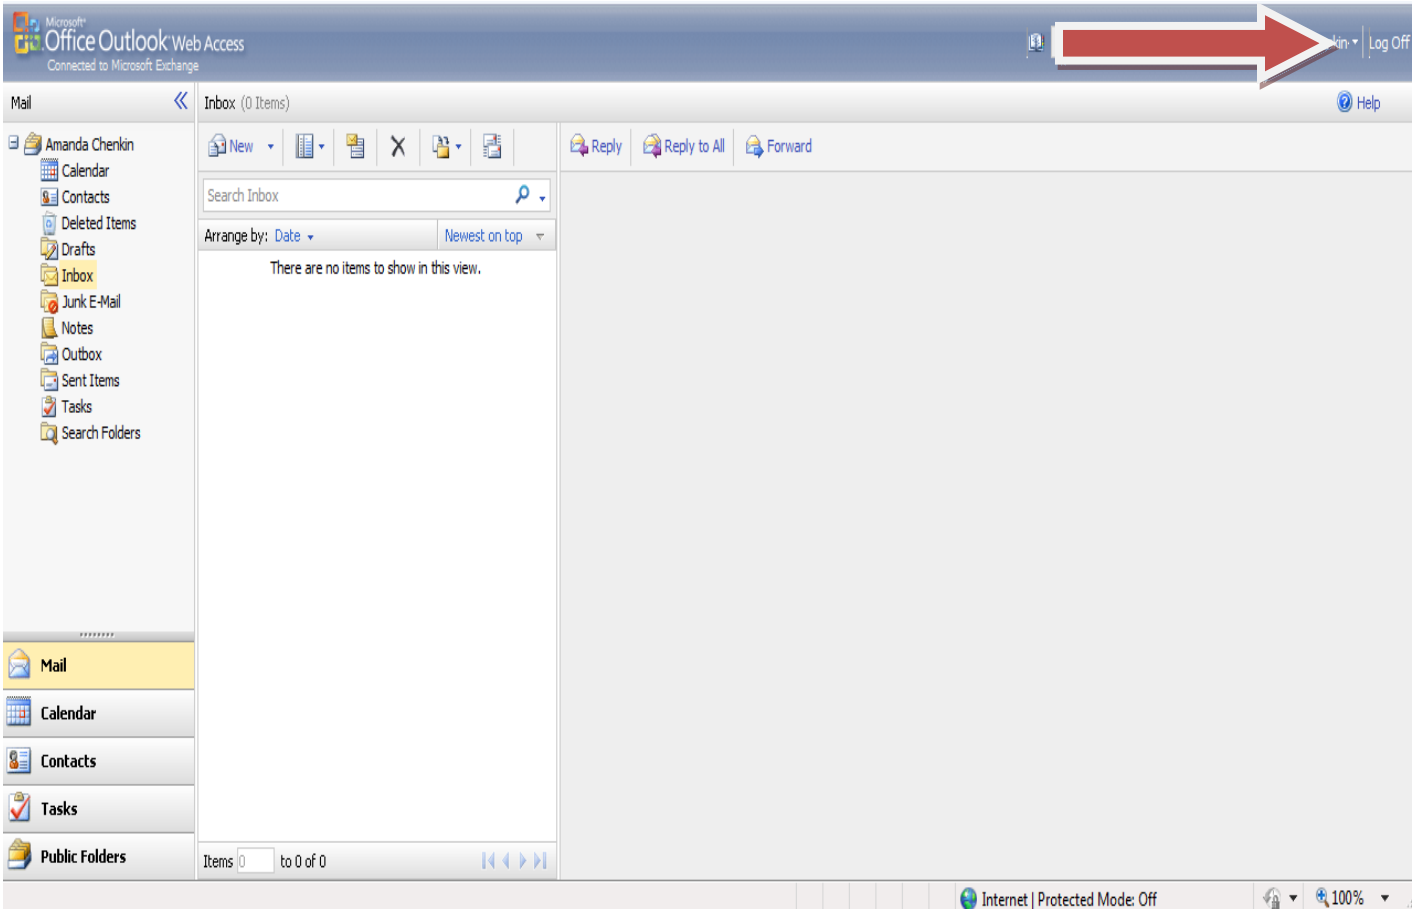
Enter your email address (firstinitiallastname@partners.net, example: pcarlson@partners.net) and your password. Click "OK"

The following screen will appear:



Confirm language and time zone and click “OK”

The OWA session will look similar to Outlook.



You should logoff of the session when you are finished.
