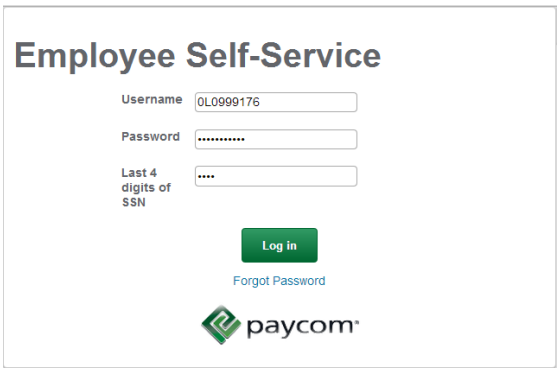
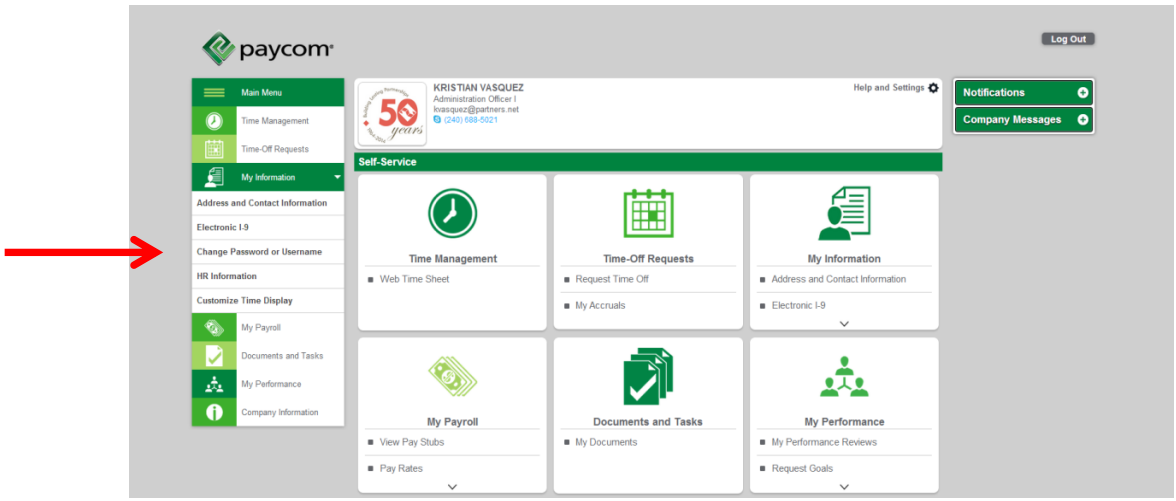
# HOW TO CHANGE YOUR PAYCOM USERNAME

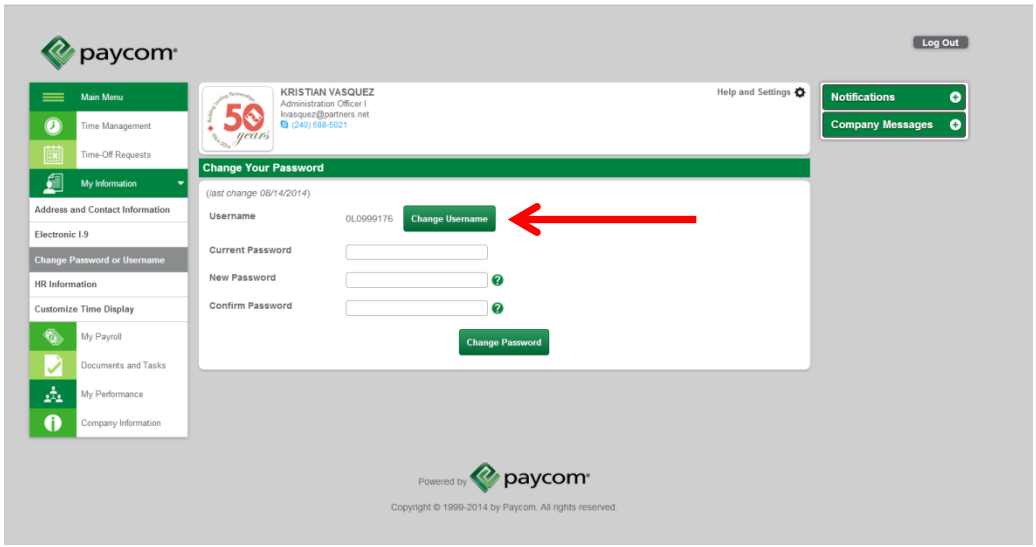
1. Log into your Employee Self Service with your original log in credentials.



2. Select “Change Password or Username” from under the “My Information” title.

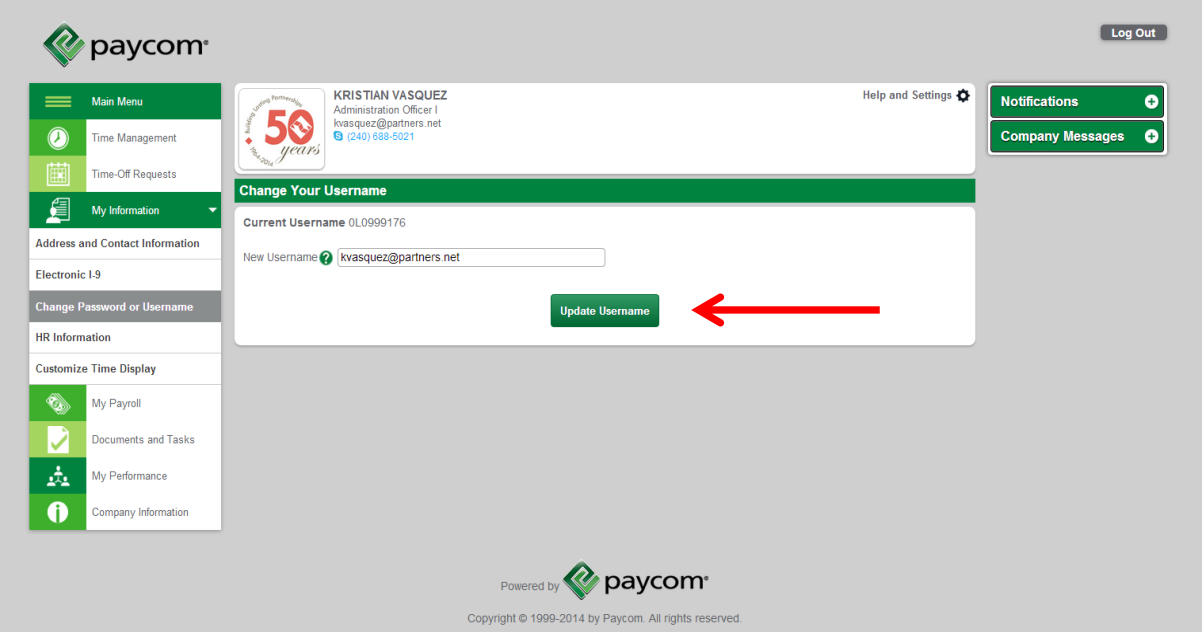


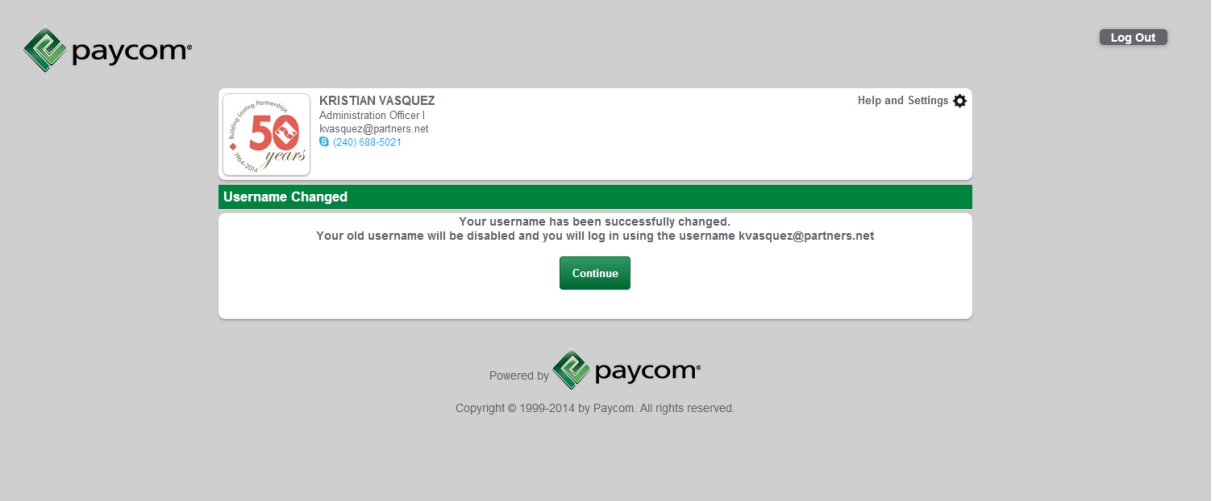
3. Click on the green button “Change Username.”



4. Enter an email address that you would like to use as your username (This is the only option you have- customized usernames are not accepted).

   Click the green, “Update Username” button.





5. Your page will refresh and your confirmation message (see below) will display.
