- R Rubber:** Ensure tires have trend and pressure, spare tires are functional, and emergency equipment is loaded into the vehicle.

## Passenger Safety Rules

- » Do NOT start driving until ALL passengers have fitted their seatbelts.
- » Do NOT speed - stay within the legal speed limits.
- » Do NOT overtake vehicles on blind bends or hills.
- » Leave at least 100 meters (300 feet) between vehicles when driving at speed.
- » Lock the vehicle doors when travelling.
- » Ensure you provide your mobile phone number to your passengers.
- » Make sure your telephone is switched on.
- » Do NOT answer telephone while driving.
- » Always be 10 minutes early to collect your passengers.

## General Administration

- » Ensure that the vehicle is parked in a safe and lighted area when left unattended.
- » Ensure all the doors are locked when leaving the vehicle.
- » Ensure passengers do NOT forget to take their possessions with them.
- » Make sure you have all your equipment in the vehicle before you leave.
- » Inform a manager if you change your planned route(s).
- » Make sure you know where the local hospitals or medical centers are.
- » Inform passengers if you need to leave an area before it gets too dark.

## Safety Stores

**1st Aid Kit:** Make sure you have a basic first aid kit for the vehicle.

**Communications:** Make sure phones are fully charged and have sufficient credit.

**Water / Food:** Ensure you have some drinking water and food for long trips.

**Clean Blankets:** For cold weather journeys.

**Safety Equipment:** You should carry flashlights, warning signs, flares and reflective vests in case of a breakdown.

## Safety and Security First!

## Out of City Travel Safety Rules

- » Check the news or ask locals from that area to see whether any demonstrations are planned, or whether other risks are present – avoid high risk areas.
- » Use a map to confirm the route you will use – inform your manager of that route before you leave.
- » Make sure you have a map of the area through which you are travelling.
- » Make sure you have charged your phone and have credit.
- » Inform your manager when you arrive at your destination.
- » Ring your manager if you have ANY problems immediately.
