U.S. Department of State
Amendment to
Award Specific Provisions

1. FEDERAL AWARD IDENTIFICATION NUMBER (FAIN):
SECAGD24GR0525-M002

Purpose of Amendment: The purpose of this no-cost amendment is to update the scope of work, approve a budget realignment, and extend the award end date 3 months from January 31, 2026 to April 30, 2026, due to changes resulting from new administration priorities. This no-cost amendment also adds to the award a provision titled: Certification Regarding Compliance with 20 U.S.C. 1011F And Any Other Applicable Foreign Funding Disclosure Requirements.

Revisions to Award Specific Provisions:

Below are the Award Specific Provisions that accompany the Department of State (DOS) amendments to federal assistance awards. Unless specified below, all original award specifics and requirements remain in effect.

Section 3a Purpose/Scope of the Award is hereby modified with the following:

3. PURPOSE/SCOPE OF AWARD:

The Bureau of Educational and Cultural (ECA) of the U.S. Department of State approves this scope change, no-cost extension, and budget realignment request to enable the Recipient to implement the activities in the FY 2024 Traditional Public Private Partnership Program (TPPP) award.

The FY 2024 Traditional Public Private Partnership Program (TPPP) was awarded on August 23, 2024, with an expiration date of January 31, 2026. The initial proposal submitted to ECA was for $367,110. However, due to funding cuts unrelated to performance, the FY 2024 TPPP award was reduced by 5%, bringing the new award total to $348,755. At that time, the original proposed participants and exchange program targets were not adjusted to align with the new budget total. Due to the changes in the administration priorities and the Department of State payment pause, the Recipient had to remove the live funding opportunities to ensure the program complies with the new administration's priorities and to wait for disbursements in grant funding.

To ensure compliance with USG travel guidelines, the Recipient is approved to manage the acquisition of airline tickets directly. This no-cost amendment updates the scope of work amendment by reducing the number of community project funding awards from six to four, the number of group exchange facilitation funding awards from four to two, and the number of exchange participants from 30 to 24. The no-cost amendment also extends the award end date 3 months from January 31, 2026, to April 30, 2026. The no-cost amendment further realigns the budget by allocating funds from the contractual to the travel line item and increasing the personnel line item to provide staffing support until the new proposed end date of April 30 2026.

The Recipient shall carry out this Agreement in accordance with its proposal dated August 16, 2024, and any revisions to which both parties agree to in writing. The above-mentioned proposal is hereby incorporated by reference and made an integral part of this Agreement.

Specifically, the Recipient's responsibilities include, but are not limited to, the responsibilities identified in the Project Objectives, Goals, and Implementation (POGI) and Notice of Funding Opportunity (NOFO) number SFOP0010173. The POGI and NOFO are hereby incorporated by reference and made an integral part of this Agreement. A copy of POGI and NOFO may be downloaded from MyGrants or obtained by written request to the Grants Officer.
